Committee Reports

a. SPA (Thompson) - Senators were asked to sign up for the SLAM table on the sheet circulated. The goal is to have 100 calls and 100 letters per week. ASUM is working with MontPIRG on legislative lobbying efforts. A rally will be held in Helena on March 3rd. One hundred students are needed and may sign up at the SLAM table. Montana parents should be encouraged to call legislators. Traffic circles have been proposed on University area streets to slow traffic. This may impact sororities and fraternities financially through SIDs.

b. Board on Membership (Maxwell) - The following slate of groups were approved for ASUM recognition on a motion by Maxwell-Thompson: Panhellenic, Interfraternity Council, All Greek Council, Composers’ Club, Community Yoga, Missoula New Party, Geology Club, Hangliding/Paragliding Club, Archery Club, Lutheran Student Movement, Men’s Rugby, The Edge Christian Fellowship, and Camas.

c. ASUM Affairs (Weber) - SB29 was given a “do pass” recommendation. Meetings will be at 7 p.m. Sundays. A Senator and student-at-large are needed.

d. University Court (Swan) - The student appealing was a “no show.”

e. UC Board (Pumphrey) - Custodial staff are needed. Event scheduling has hired a new staff person, and several coordinators have been hired. No sign-off has occurred on third floor renovations. Work is starting on the budget, even though a new UC Director has not been hired. Increases in salary and health insurance plus a lease pay-off will have a big impact on the budget.

f. Transportation (Gardipe) - Meetings will now be bi-weekly. Work has begun on Green Griz Week.

g. Student Health Advisory Board (Monson) - The $5 increase received unanimous supporting committee. The next meeting is March 6 from 5-7 in the Health Service basement.

Unfinished Business

a. SB29-00/01 Resolution to Change House Rules, Article II, Section 5 (Exhibit A) was amended by an accepted friendly amendment from Disburg and Billington to delete the first whereas and replace it with “Whereas, Roberts Rules of Order requires a two-thirds vote for the suspension of House Rules.” The resolution passed on a motion by Peterson-Monson.

b. SB30-00/01 Resolution to Require Student Priority over Table Location in the University Center (Exhibit B) was first amended by an accepted friendly amendment from Pierce which changed #3 to read “This rule does not apply to special University Center events such as the Craft Fair and Merchant Week.” A second accepted friendly amendment from Gachigo changed #3 to delete everything after “events.” After Rosenleaf’s previous question call, the resolution passed on a motion by Monson-Rosenleaf.

c. SB31-00/01 Resolution to Approve Parking Decal Increase (Exhibit C). A motion by Disburg-Monson to recommence failed after a previous call by Pumphrey passed. A proposed friendly amendment by Lewis resulted in a combined action by several Senators to make the following amendments: The first whereas sentence was completed by adding “indicating the need for a parking fee increase.” The paragraph before the detailed listing was deleted. In its place was inserted “Therefore, ASUM Senate endorses a parking fee increase of $45 to meet maintenance and program costs. Furthermore, ASUM Senate recommends that student parking funds be utilized for: (insert the list, deleting the last sentence and paragraph). Furthermore, the ASUM Senate also suggests that additional fee increases could be considered after a thorough review and assessment of the current parking problem.” Following failed previous question calls by Peterson and Taddonio, a previous question call by Pumphrey met with no objection, and an immediate vote on the resolution resulted in a 9-9 vote. The Chair voted against, and the resolution failed.

Comments

The meeting adjourned at 10:10 p.m.

Carol Hayes
ASUM Office Manager
Resolution to Change House Rules, Article II, Section 5

Whereas, a motion to suspend House Rules should express the desire of as much of the Senate as possible.

Whereas, a two-thirds (2/3) vote would represent a fuller support by the Senate than a simple majority vote (1/2 + 1),

Whereas, Article I, Section 2 C states, “Discussion and voting may take place only under ‘Unfinished Business’ unless the Senate suspends the rules by a two-thirds (2/3) majority vote”.

Whereas, consistency in the governing documents of ASUM is desirable,

Therefore, let it be resolved that House Rules, Article II, Section 5 read as follows: “House Rules are suspendable by a two-thirds (2/3) majority vote of the Senate.”

Passed 2-7-01
Resolution to Require Student Priority Over Table Location in the University Center

Whereas: Table numbers 1, 2, 3, and 4, the central atrium tables, are the most visible and accessible to all students in the University Center; and

Whereas: Student groups use tabling as a method to inform students of involvement opportunities on campus, which enhances the campus community; and

Whereas: Non-student groups and companies often use these tables for promotion of products rather than student interests.

Therefore: The Associated Students of The University of Montana require that the University Center Merchant Policy be modified to include the following stipulations:

1. Table numbers 1, 2, 3, and 4, the central atrium tables, are to be reserved for campus student groups.
2. If table numbers 1, 2, 3, or 4, the central atrium tables, are not reserved by student groups one day in advance, the University Center reserves the right to rent the tables to non-student groups.
3. This rule does not apply to special University Center events, such as the craft fair.

Resolution to approve parking decal increase:

Whereas: ASUM Transportation Board has done a thorough review of Public Safety's budget, indicating a need for a parking fee increase.

Therefore, ASUM Senate endorses a parking fee increase of $45.00 to meet maintenance and program costs.

Furthermore, ASUM Senate recommends that student parking funds be utilized for:

- Dornblaser paving
- Increase support for the Dornblaser Park and Ride shuttle program
- Critical street repair only
- Mountain Line contract increase
- Continuing with past Transportation Demand Management commitments to MR TMA, MIM, and Feet First.
- A transportation education campaign
- Bike parking improvement

Furthermore, the ASUM Senate also suggests that additional fee increases could be considered after a thorough review and assessment of the current parking problem.
