b. SB35-00/01 Resolution in Support of Montana University System Fee Waiver was withdrawn.
c. SB36-00/01 Resolution in Opposition to HB361 (Exhibit A) was changed in the first line from "refer a" to "refers to a" on an accepted friendly amendment by Lockridge. A previous question call by Neitzel-Rosenleaf passed, and the resolution passed on a motion by Peterson-Rosenleaf.
d. SB37-00/01 Resolution Suggesting the Creation of Emergency Parking at the Curry Health Center (Exhibit B) was amended by the authors by changing "whom" to "who" in the first sentence and by inserting "be" after "there" in the last sentence. The resolution passed on a motion by Peterson-Lockridge.
e. SB38-00/01 Resolution for Parking Registration Fee and ASUM Transportation Fee Service and Maintenance Enhancement (Exhibit C) was amended by the authors to change "$35.00" to "$17.50 per semester" and to insert "per semester" after "$2.00" in the last sentence. A previous question call by Disburg failed. A friendly amendment by Domitrovich to change "$17.50 per semester" ($35) to "$20.50 per semester" ($41) was accepted. Increasing the ASUM Transportation Fee will have to go to a student referendum during General Elections, so Neitzel included the following referendum language to accompany the resolution:

Referendum to Raise the ASUM Transportation Fee $2/semester

[ ] I support an increase in the ASUM Transportation Fee by $2/semester to continue funding of parking solutions such as the Dornblaser Park & Ride, Yellow Bike Cruiser Co-op and additional programs as funding is available.

[ ] I oppose an increase in the ASUM Transportation Fee.

A previous question call by Taddonio met with no objection, and the resolution passed on a motion by Neitzel-Lockridge.
f. Disburg-Peterson moved to amend Budget and Finance’s Travel Special Allocation recommendation from $10,881.43 to $9,254.90 by moving to Special Allocations the requests of UM Symphonic Winds, Women’s Hockey, UM Equestrian Team and Archery Club. The motion passed, and the recommendation passed as amended. Disburg-Rosenleaf moved to have the $1,626.53 excess re-distributed by Budget and Finance to the groups receiving funds from this account, which met with no objection.

g. The following groups/amounts were unanimously approved for Special Allocations on a motion by Disburg-Peterson: UM Symphonic Winds - $812.03; Women’s Hockey - $350; UM Equestrian Team - $464.50.

RESOLUTION IN OPPOSITION TO HB 361

Whereas, the definition of nudity refer a state of physical undress;

Whereas, HB 361 is an attempt to modify this accepted interpretation;

Whereas, including to the classification of nudity terms such as “anal cleavage” and the display of “human male genitals in a discernibly turgid state, even if completely and opaquely covered” will unfairly punish victims of circumstance;

Whereas, the state legislature should focus on more pressing public concerns;

Therefore Let It Be Resolved, The Associated Students of the University of Montana oppose HB 361 as a waste of legislative time.

Resolution Suggesting the creation of Emergency Parking at The Curry Health Center

Whereas, The Curry Health Center currently has no emergency parking spaces for students who need emergency service;

Whereas, the issue of the lack of any emergency parking spaces must be addressed for those students who need immediate attention;

Whereas, parking near and around Curry Health Center is nearly almost full during normal school hours.

Whereas, the Curry Health Center is the only medical facility many students have access to;

Therefore let it be resolved, that The Associated Students of The University of Montana support and suggest that there adequate emergency parking in front of the curry Health Center.

Parking Registration Fee and ASUM Transportation Fee Service and Maintenance Enhancement

Whereas Public Safety has not increased parking registration fees since 1997

Whereas student use of Mountain Line has increased in ridership

Example

October 1999 - 16,775 Griz Card holder rides
October 2000 - 21,102 Griz Card holder rides

Whereas payment to Mountain Line last year was subsidized by a CMAQ grant of close to $20,000 which is no longer available

Whereas payment to Mountain Line to continue free rides to Griz Card holders is expected to be $130,000.

Whereas the Dornblaser Park and Ride has been such a success that increased service is required

Example

October 1999 - 306 rides
October 2000 - 4860 rides (left approx 152 riders)

Whereas Dornblaser Park and Ride service costs this year are being split as follows:

<table>
<thead>
<tr>
<th>Service</th>
<th>Cost</th>
</tr>
</thead>
<tbody>
<tr>
<td>ASUM OT</td>
<td>$12,000</td>
</tr>
<tr>
<td>Missoula in Motion</td>
<td>$3,000</td>
</tr>
<tr>
<td>Public Safety</td>
<td>$3,500-5,500</td>
</tr>
</tbody>
</table>

Whereas Dornblaser Park and Ride users are being left and the full capacity is unable to be served without another shuttle ($15,000-18,000 plus the cost of a vehicle)

Whereas the Office of Public Safety, in the next three years sees the following needs:

Lodge Lot - $140,000
6th street replacement - $19,000
Campus Drive - $25,000
Vehicle purchases $37,000
½ Dornblaser lot costs - $100,000

Whereas if the Office of Public Safety were to receive a $35.00 increase, these projects could not be possible for at least 3 years:

½ Dornblaser Lot $100,000
Van Buren Repair $12,500
5th Street Repair $14,000
General Maintenance $35,000
Vehicles/equipment $50,000
Crack seal and slurry coat M, M-1, P, W, U, T $100,000

Whereas inflation has increased at 9-10% since the last fee increase
Whereas utilities are increasing

Whereas staff senate and ASUM senate requested a decal increase of less than $45.00

Whereas ASUM requested that non-parkers also contribute to costs associated with Transportation issues

Whereas ASUM requested more control over funds generated by a decal/fee increase for transportation purposes

Therefore let it be resolved that ASUM supports a $35.00 parking registration increase as well as a $2.00 increase in the ASUM Transportation Fee (which will be subject to a student referendum in mid-April 2001).
