Carol Hayes
ASUM Office Manager
Resolution to Change Fiscal Policy 10.1

Whereas the ASUM Administration has expressed interest in not paying line item 62824 (Entertainment) and

Whereas the ASUM Administration has expressed interest in not paying line item 62102 (Contracted Services) in some cases, and

Whereas these individual line items in most instances are better suited as a Special Allocation,

Whereas an increased amount of requested Special Allocations requires an increase in the account total,

Therefore let it be resolved, that ASUM Fiscal Policy 10.1 should read: At the beginning of each fiscal year, $12,000 shall be deposited in the Special Allocation account. The board shall not allocate more than $6,000 before the end of the Fall Semester.

Passed 3-7-01
Resolution to prohibit the scheduling of public and campus events in the University Center Copper Commons

WHEREAS, student fees contribute to the maintenance and operation of the UC Copper Commons;

WHEREAS, the UC Copper Commons provides an alternative atmosphere to the Mansfield Library, which caters to student's needs with large tables, a group study environment, and opportunities for food and drink;

WHEREAS, numerous students utilize the Copper Commons as a common study area that they feel comfortable in,

WHEREAS, other facilities are available to host campus and public events, such as the UC atrium, University Center 3rd Floor Ballroom and conference rooms, Gallagher Business Building, Davidson's Honor's College, and study rooms located in the dormitories, and

WHEREAS, organizations that find the Copper Commons as the appropriate location for their event have access to it on both Friday and Saturday.

THEREFORE LET IT BE RESOLVED: The Associated Students of the University of Montana support the prohibition of public and campus events being hosted in the University Center Copper Commons from Sunday through Thursday throughout the academic year, as well as during the week of and before finals.

Ad Hoc Committee for a Quiet Copper Commons
and
Jon P. Swan, ASUM Senator

Passed
3-7-01
Resolution to Amend University Funding Increase to a Base Increase

Whereas, the Montana University System has requested an increase of $500 per student from the State Legislature,

Whereas, the Joint Appropriations Subcommittee on Education has recommended only a $100 per student increase,

Whereas, this increase is a one-time-only recommendation which would require the University System to come back to the next legislative session with a smaller budget than they are currently using,

Therefore let it be resolved, that the Associated Students of the University of Montana urges the 2001 Montana State Legislature to amend the University System increase to a base increase, rather than a one-time-only expenditure.
