### **Committee Reports**

- Relations and Affairs (Andersen) – The committee met on Monday at 6 p.m. in the ASUM Offices. They saw Three (3) resolutions; SB98, SB101, and SB102. SB101 and SB102 were passed on to Senate without recommendation; SB98 was tabled until revisions could be done by the author.
- Grizzly Report (Lillquist) – The Grizzly Committee met and was chill. Elected President Chillquist, and plan on continuing to “chill hard.”
- Transportation (Thompson) – The Board met, but the things discussed must were forgotten except that the Board will make final budget recommendations by their next meetings. They are also looking at solar-powered bus stops, paying bus drivers more, and hiring a bike-pedestrian coordinator. A question was directed about the solar-powered stops; Thompson stated that for about \$300, they can light the bus stops to make them more safe and do it economically by having it be solar-powered.
- Student Political Action (Story) – Student Political Action Committee held the final year-end Debate on Tuesday. There was no clear winner of the debate. Special Thank you’s to Senators Ormseth and Thompson for taking the brunt of the arguments for their respective parties. It was stated by another Senator that the College Democrats were the winners of the debate.
- Party planning Committee (Thiebes) – Next week’s party will be at 625 Rollins Street starting after the meeting of the outgoing Senate, but the invite is for incoming and outgoing Senators and frequent audience members. It was stated that there would be drinks, water, and minimal Hazen. The menu is currently consisting of chips, pizza and BBQ. Hazen will be only for fun. This will be instead of cabinet. Food suggestions from the body are acceptable.
- Facility (Ormseth) – The bricks are being replaced on the Rymann Mall. Senate is asked for their input on bricks as opposed to concrete. They will be done by the end of the week. Please go, look at the test panels, and submit feedback soon. If enough people see it, the Senate will vote which way they like the bricks.
- UC Board (Hopkin) – The Board met on Friday. They Brought up E-Cigs and basically said that the ban in the UC will stay, and that if AUSM wanted to repeal it, they should tell the UC rather than ask for an overturn in resolution form. There was one vote in the minority on that issue. It was asked why the resolution passed would not work, and responded that it was too nice. They also will be dealing with employees getting gratuity.
- ADA (Green) – The Committee met on Friday. They discussed the traffic congestion with the Gilkey structure that will happen. They are also looking at crosswalk signals and crossing guards. The committee is not sure where they stand with the accessibility of the Gilkey Building, but those are ideas. ADA team is looking at increasing funding. ADSUM also met and elected as new members for the Board.
- Sustainable Campus Committee (President Hohman) – The Committee will be meeting with Royce in the next few weeks about ASUM Sustainability absorbing the Sustainable Campus Committee. The only hiccup so far has been about pay issues.

- Summer Reads (Prof Stark) – The Committee decided that the recommendations for the summer were: Short Nights of the Shadow Catcher by Timothy Egan; Gone Girl by Jillian Flynn; Why I Wake Early by Mary Oliver; Book of Basketball by Bill Simmons; and The Things That Carry by Tim O’Brian.
