MSU DEAN NAMED TO ACCREDITATION TEAM

Dean Theodore H. Smith of the Montana State University School of Business Administration, Missoula, is one of three educators named by the American Assn. of College Schools of Business to conduct an accreditation survey of Santa Clara University, California, on Wednesday, Thursday, and Friday, MSU officials announced.

The other members of the accreditation team are Dean Morris E. Hurley of Syracuse University, New York, and Dean W. A. Wallis of the University of Chicago.

MSU PHARMACY SCHOOL WILL HAVE BOARD OF VISITORS

An eight-member Board of Visitors made up of pharmacists in Montana and surrounding states is being organized for the Montana State University School of Pharmacy, Missoula, Dean R. L. Van Horne announced Tuesday.

The board will visit the school periodically to advise and help determine policy, Dean Van Horne said. It will aid in promotional business and in the development of adult education and extension services of the Pharmacy School, he added.

Board members will be appointed by the president of the University on the recommendation of the school's faculty, the dean explained. Their names will be announced as appointments are made. The first meeting of the board is scheduled for the early part of May in Missoula, he said.
