Carol Hayes
ASUM Office Manager
Resolution to Support Allocation of CMAQS to Increased Bus Service

Whereas: A.S.U.M. is dedicated to helping change the current transportation problems facing this University of Montana community, and
Whereas: The T.P.C.C. is a city board which allocates Federal CMAQ money to communitywide transportation related programs, and
Whereas: The Mountain Line bus system will require a large increase of money to implement later hours of operation and other new test programs, and
Whereas: The ASUMOT is committed to finding alternatives to student funds in order to finance programs.

Therefore Let it be Resolved: A.S.U.M. supports the allocation of CMAQ money by the T.P.C.C. to the Mountain Line bus system in order to increase services available to students and the surrounding community.

Passed 5/5/99

Whereas: A.S.U.M. would like to solve these problems with as much student input as possible.

Therefore Let it Be Resolved: Article IV section 17a shall be changed to read: The Transportation Board of Directors shall be composed of eleven (11) voting members, of which three (3) shall be members of the A.S.U.M. Senate, one (1) shall be designated by the Faculty Senate, one (1) shall be designated by the Staff Senate, three (3) shall be students-at-large, one (1) shall be designated by Facility Services, one (1) shall be a resident assistant designated by the Residence Life Office, and one (1) shall be the director of the ASUMOT.

Passed 5/5/99
Resolution to Amend ASUM Personnel Policy

WHEREAS KBGA is a growing entity in terms of scope and recognition on the University of Montana campus,

WHEREAS the duties of the position of KBGA Music Director is currently more than can be effectively managed by a single student employee,

WHEREAS efforts to assist the position through student volunteers have proven to be an ineffective use of time and energy on the part of the Music Director,

WHEREAS the creation of a second KBGA Music Director position will allow for more effective management of the KBGA Music Department, its staff, and all relevant duties,

WHEREAS KBGA has the financial means through which to fund a second position at no increase in cost to students,

THEREFORE LET IT BE RESOLVED that the Associated Students of the University of Montana support the following changes to ASUM Personnel Policy:

Item 4.63.1 Music Director: The Music Director's main responsibility is the compilation and maintenance of the KBGA music library. This includes, but is not limited to, researching and gathering recordings from different types of music and, most importantly, keeping the station up to date on new and diverse music.

Item 4.63.2 Assistant Music Director: The functions of the Assistant Music Director's position will be closely tied to those of the Music Director. Overall, these duties will entail working alongside the Music Director to coordinate the operations of the music department and its related staff.

THEREFORE LET IT FURTHER BE RESOLVED that the position of KBGA Assistant Music Director will be paid for a maximum of 60 hours / month at a rate of $5.15 / hour.

**Change in the Bonding for the Recreation Annex**

*Whereas:* The original ballot language regarding the Recreation Annex fee increase had a fiscal oversight.

*Whereas:* A *maximum* of a thirty-year bond will give the University of Montana adequate time to maximize construction funds available for the project and financing options.

*Whereas:* A sunset clause would create financial difficulties for the daily operations of the facility upon completion.

*Therefore:* The Associated Students of the University of Montana alter the Recreation Annex fee proposal bonding to a *maximum* of a thirty-year bond with no sunset clause on the fee.
