Brian Glaspell

Technical Completion Report 2000-1b

January 2000

Institute for Tourism and Recreation Research
School of Forestry
The University of Montana
Missoula, Montana

Preface

The following report contains tables for the 1999 Missouri Madison Recreation Survey, organized by recreation site. This report is one of four separate documents from the study. The other three are:

Technical Completion Report 2000-1a. The 1999 Missouri Madison Recreation Survey: Results of the Study. Institute for Tourism and Recreation Research, The University of Montana, Missoula, MT 59812.

Technical Completion Report 2000-1c. Analysis of Lewis and Clark Enthusiasts in the Missouri Madison Corridor. Institute for Tourism and Recreation Research, The University of Montana, Missoula, MT 59812.

Technical Completion Report 2000-1d. Visitor Comments by Recreation Site. Institute for Tourism and Recreation Research, The University of Montana, Missoula, MT 59812.

For a full discussion of survey methodology and results, please refer to the full report - 1999 Missouri Madison Recreation Survey: Results of the Study.
