The Associated Students of The University of Montana
Resolution Regarding Curry Health Center Fee
February 16, 2011
Senate Bill SB17-10/11
Authored by: Katie Spika, ASUM Senator
Sponsored by: Ashleen Williams, ASUM President,
and Trent Hanson, ASUM Business Manager

Whereas, the funds received by the Curry Health Fee allow students to access operations and a range of services offered by Curry Health Center, including medical, dental, counseling, wellness, health enhancement, substance abuse, and sexual assault recovery service;

Whereas, the cost to maintain the current level of service to UM students is constantly rising due to inflation;

Whereas, the Student Health Advisory Committee (SHAC) has endorsed the proposed FY12 and FY13 budgets for the Curry Health Center and unanimously endorsed the proposed fee increases for the corresponding years;

Therefore, Let It Be Resolved that the Associated Students of The University of Montana (ASUM) endorse a Curry Health Fee increase for the Fiscal Year 2011-2012 from the current $203.75 (fall and spring semesters) to $207.75. This is an increase of 1.96% or $4.00;

Therefore, Let It Be Further Resolved that the ASUM Senate endorses a Curry Health Fee increase for the Fiscal Year 2012-2013 from the current $207.75 to $211.75. This is an increase of 1.93% or $4.00.

Passed by ASUM Senate with unanimous consent, February 16, 2011
