Public Comment
UM Productions Director Mitchell brought Senators up to date on Adam's Center shows. The logistics of Monday's show will preclude Senators from observing the set-up. If this situation changes, she will notify them. Some of the problems with this renovated venue are: the increased rent and reduced size. Higher ticket prices and a small population with less disposable income than other areas add to the challenges of attracting big shows.

Center for Leadership Development Coordinator Gillespie invited the Senators to a speaker presentation to be held at 3:30 and 7:30 Friday in the UC.

James Moen reported on Japan Club activities and said the group was gearing back up.

Student Ben Irey expressed concern over the University's budget crisis and suggested a forum. He mentioned student problems in scheduling time with Provost Kindrick.

The Chair recognized the arrival of Senator Munday.

Vice President's Report

c. The following committee appointments were approved by Senate on a motion by Bartkiewicz-Herrick: Computer Fee - Andrea Irey, Sheila Hoffland; Transportation - Bob Giordano, Chad Ballentine.

e. The ASUM Diversity Committee will meet December 2 at 6 p.m. in the UC Lounge.
f. The Strategic Budget and Planning Committee is reviewing the Centers on campus with regard to their costs in terms of utilities, space used, necessity and other factors to determine cost effectiveness.
g. Lamb stressed the necessity for Senate to adhere to policy for turning in resolutions. Due to the Thanksgiving holiday, resolutions will be due by 5 p.m. next Tuesday.
h. SPA Director White circulated a tabling sign-up sheet. Comments on the budget crisis, classes, etc. have reached over 150. They will delivered to the President next week.

Comments

The meeting adjourned at 8:11.

Carol Hayes
ASUM Office Manager
Resolution for Process Approval of Tenants in UC

Whereas, the UC is financed predominantly by student fees and it is appropriate that students need to be more involved in choosing tenants;

Whereas, a tenant is any new or existing tenant that wishes to move to a different location in the UC;

Whereas, the UC Board does not currently require Dining Services to seek approval from the UC Board regarding new eating establishments or relocating eating establishments in the UC.

Therefore, let it be resolved that any establishment, relocation, or tenant in the University center will require the signatures of the UC Director and the UC Board Chair, upon approval of the UC Board, on a drafted proposal before a tenant vacancy or relocation may be assigned. In the absence of the UC Board Chair and the UC Board, the signature of the ASUM President or other ASUM Executive will be required.

Passed 11/17/99
Resolution to Support Enforcement and Fine for Violation of No Smoking Areas

Whereas, the University acknowledges smoking cannot be allowed within 25 feet of entrances of buildings on campus;

Whereas, violators of the "25-foot no smoking zones" are currently only penalized with a warning;

Whereas, these warnings are not effective in maintaining a smoke-free environment within the 25-foot radius around entrances;

Whereas, facility managers and Campus Security/University Police have not enforced this policy sufficiently;

Whereas, stronger enforcement and enforced penalty is needed to maintain a safe and inviting atmosphere within 25 feet of entrances of buildings;

Therefore Let It Be Resolved, The Associated Students of The University of Montana (ASUM) supports the enforcement and implementation of a fine for violation of the "25-foot, No Smoking Zones."

1) This fine would be $10 per violation.
2) University Police/Campus Security would be responsible for the enforcement of this policy.
3) Money collected by University Police/Campus Security for violations would be used for expansion and improvements to no-smoking policies.

Passed 11-17-99
Resolution to Express Concern over UM Budgeting Practices

Whereas, The University of Montana’s budget has been in the “red” for a consecutive number of academic school years

Whereas, the University’s primary goal is that of education

Whereas, academics at the University have been adversely affected by the budget deficit.

Whereas, the University has shown little progress in proactively solving the university’s budgeting dilemmas

Whereas, the UM administration has made unrealistic enrollment projections in this biennium

Whereas, staff, faculty, and students morale is very low.

Therefore let it be resolved, ASUM urges The University of Montana administration to utilize academic deans enrollment projections and a more fiscally conservative allocation process.

Passed 11-17-99
Resolution to Establish Student Representation at Dining Service Management Meetings

Whereas, The University of Montana Dining Services lacks sufficient student input;

Whereas, The University of Montana Dining Services is on campus for the main purpose of providing meals to students.

Whereas, the only student representative that attends the management meetings is a paid employee of Dining Services;

Whereas, ASUM Senators and Resident Life R.A.s could enhance student representation at the management meetings;

Therefore let it be resolved, that ASUM supports the representation of no more than two Senators and no more than one R.A. who are not employed by Dining Services at The University of Montana Dining Services' monthly management meetings.
