## **Abstract**

This study was conducted for the non-profit Evel Knievel Days Incorporated, to provide insight into the characteristics of attendees of the 2014 Evel Knievel Days event. Paper surveys were completed by 239 attendees of the event. Results show that 83% of respondents were residents of Montana and of those Montana residents, 57% were from Butte-Silver Bow County. Out-of-county respondents spent an average of five nights in Butte-Silver Bow County and more people spent money on restaurant/bar, hotel/motel/b&b, and gasoline purchases while visiting the area than any other spending categories. Restaurant/bar purchases received the highest total dollars spent during the event. Respondents to the survey reported a total spending of \$82,230.00 in the Butte-Silver Bow County area. Results provide event organizers and Evel Knievel Days Incorporated with useful data for future event planning, making improvements to the event, event marketing/promotion, and understanding the visitor spending associated with the event.

## **Executive Summary**

The Evel Knievel Days event attracted many out-of-county Montana residents (26%) and out-of-state (17%) visitors to the Butte-Silver Bow County area. The attendees of the event make important economic contributions to the Butte-Silver Bow County area. The results of the study are worth considering for future planning of the Evel Knievel Days event.

- 73% of visitors who reside outside of Butte-Silver Bow County spent at least one night away from home. The mean number of nights spent in Butte-Silver Bow County was 4.56.
- More money was spent by these out-of-county visitors in restaurant/bar (\$14,480.00), hotel/motel/b&b (\$11,555.00), and gasoline (\$9,180.00) than other spending categories. 84% of respondents reported that they were spending for a travel group size of at least two or more people (including respondent).
- 40% of respondents reported staying in a hotel/motel/b&b, followed by 29% staying in the home of a friend or relative.
- Attendees were mostly travelling with family and friends (30%) or as a couple (24%). The average travel group size was 2.72 people (travel group spending size).
- Respondents traveled with a variety of age categories in their group – the highest percentages were 45-54 years old (38%) and 35-44 years old (28%).
- Attendees heard about the event mostly from word of mouth (67%) or the newspaper (45%).
- Overall, attendees of the event were very satisfied or satisfied with Evel Knievel Days, and 86% of respondents indicated that they would attend the event next year.

## **Management Implications**

Survey results indicate that Evel Knievel Days visitors are travelling from all over the nation to attend the Evel Knievel Days event. This event brings both resident and nonresident visitors to the Butte-Silver Bow County area, and the attendees of the event make a variety of monetary contributions while visiting.

A large majority of people who attended Evel Knievel Days were residents of Montana, with 56% residing in Butte-Silver Bow County. Non-resident visitors bring new money into Montana and make valuable economic contributions to the area. Event organizers can work to increase the number of non-resident visitors who are staying and spending in the Butte-Silver Bow County area for future events.

It is recommended that the organizers review the respondent's comments from Appendix B to gain more insight into people's likes and dislikes of the festival's organization, music, vendors, and other aspects of the event. Changes based on this input could help bring back repeat visitors to Butte-Silver Bow County in the future.

## Introduction

The 2014 Evel Knievel Days event was hosted in Butte, Montana over three days from July 24<sup>th</sup> through July 26<sup>th</sup>, 2014. This year marks the 13<sup>th</sup> annual year that Butte has hosted the event. Robert Craig or “Evel Knievel” was a Butte native who the event is named after. Evel Knievel is a legendary motorcycle daredevil who was known for performing stunts around the world. Evel Knievel Days has attracted more than 50,000 visitors to Butte in past years during July.

This event is organized by Evel Knievel Days Incorporated, a Montana non-profit corporation run by volunteers. Headwaters RC&D Incorporated is the current financial manager for Evel Knievel Days Incorporated. The Evel Knievel Days event has many business sponsors and support that make the event possible.

The purpose of this study was to provide the organizers of the 2014 Evel Knievel Days event with an understanding of the characteristics of visitors to the event, visitor spending in Butte-Silver Bow County, and levels of satisfaction with different aspects of the event.

## Methods

Surveyors intercepted event visitors 18 years of age or older for on-site completion of a questionnaire during the three day event. Surveys were given to people by random selection in an attempt to represent the event attendee population. People willing to fill out the questionnaire were given a clipboard, pen, and a survey. No documentation of the number of refusals was recorded.

### *Limitations*

As in all research, there are limitations to the study. Limitations for the Evel Knievel Days study include the following:

- Data was collected by Butte area volunteers who received a short training from ITRR’s survey contact person (Jen Prigge-EK Days Inc. Treasurer) on how to intercept people and how to obtain completed surveys.
- ITRR personnel were not present during the data collection for quality control.
- Only 239 valid surveys were collected, a relatively small sample size.

## Results

Of the 239 valid respondents, 83 percent (199 people) were from Montana and 17 percent (40 people) were from out-of-state or Canada (see Tables 1 and 2). Of all Montana respondents, 57 percent (136 people) were from Butte-Silver Bow County while 26 percent (63 people) were from other Montana counties.

The mean age of respondents was 45 years old. Of those who were from outside Butte-Silver Bow County and responded to the survey, 73 people reported that they spent at least one night away from home. Of those nights spent away from home, the greatest percent of respondents (25 percent) spent three nights in Montana. The mean number of nights spent in Butte-Silver Bow County was 4.56 nights. A full breakdown of nights spent as well as results of all other questions in this survey can be found in Appendix A.

## **Expenditures**

Spending information was asked of all the event visitors. The survey asked that they report their best estimate of the total amount of money they and their family/travel group (if applicable) spent in the Butte-Silver Bow County area in the following categories: accommodations, restaurant or bar, groceries or snacks, gasoline, transportation, auto rental, retail goods, and entertainment or recreation.

Table 4 presents the expenditure data of only the non-resident respondents (those who reside outside of Butte-Silver Bow County) who reported spending money in the categories. Table 5 presents the expenditure data of only the Butte-Silver Bow County resident respondents who reported spending money in the categories. The mean expenditure of those who spent money for each category can be found along with the percentage of people who reported that they spent money in that category. The last column provides the total dollars spent by those respondents in each category. The total reported expenditure for respondents who spent was \$82,230.00.

<b>TOTAL</b>			<b>\$27,704.00</b>

Spending data for in-county respondents (those who reside within Butte-Silver Bow County) should be looked at with caution. Typically in-county spending is not included when identifying money spent in a community for an event. Money generated outside of a community, brought in by non-locals, and then spent has a greater impact on the economy than local spending. Local spending simply recirculates within the community.

**Q23. Please tell us what you did not like about the Evel Knievel Days in Butte, Montana.**

As of 2013 it seems like it became less every year.
Band, bathrooms.
Bars.
Bathrooms.
Bathrooms.
Bathrooms.
Bathrooms.
Beer.
Car show was moved to civic center.
Circus act not here.
Cleanliness
Confusing schedule, A2 or Broadway. X-circus, few riders and tricks. The quality of the acts.
Cost of events at the children's tent. Not enough for kids to do without paying a lot.
Crowds.
Directions are a bit iffy.
Dirty and gross bathrooms.
Dirty bathrooms, last year was clean. No signs to the events.
Dirty bathrooms.
Dirty, lack of places to put garbage, all the garbage cans were full, and many large dogs in the afternoon.
Dislike issues between previous event organizations and this years. Many acts pulled out this year due to this.
Drinking alcohol.
Dumpsters in the middle of the food court. Not enough garbage cans or pick up of trash.
Everything else.
Friday night band, too many dogs, and garbage everywhere.
Garbage in the streets.
Hard time finding the events.
Having the car show too far away.
Hot, and not as many events.
Hot.
Hot.
Hot.
Variety of events - water, cooking, and more hiking/swimming promotions of the area would be nice.
If the Knievels want to be so involved, they should try and show their faces.
It did not have the same excitement as in the past years. You can tell someone else is in charge.
It felt like I had to walk from one side to the other for events.
It is beginning to be very lame and I do not give it more than two years before it goes down.
Keith Sayers not here.
Lack of info before.
Lack of musical variety. Missed spanky.
Lack of vendors.
Late night events.
Loud music during the day, hard to talk and hear conversations.
Loudness.

More beer.
Most of the bands.
Most of the Evel Committee is useless.
Most of the food vendors.
Need more shaded areas.
No cannon lady and no wall of death.
No signs with times of event near or around the event.
No Sunday- it would have allowed us to get a bigger group to come.
Not a big crowd.
Not as many vendors or stunts going on.
Not enough bathrooms, parking, and too many dogs.
Not enough events.
Not enough vendors.
Parking sucks this year.
Parking, no regular Coors.
Parking.
Parking.
People who don't like Black Flag
Poor entertainment, bad bands, and the freestyle show was horrible.
Pop prices high for what you get.
Lost power 4X on Saturday. Security, there were drunk minors fighting outside our tent. Rent for vendors.
Pre-event drama.
Restrooms.
Scary People.
Schedule changes not changed on website
Screaming obnoxious band.
So many Thursday kid events that are not repeated (spanky and dirt bike experience).
Sometimes the noise level.
Sometimes too many people.
Sound stage a bit over-powering.
Spirit. Events lacked a distinctive 'wow' factor. Turnout seemed less than previous years.
The band, I think someone better should have played.
The band.
The booth next to me.
The cost of the children's entertainment
The disruption caused by Kelly Knivel and the disrespect shown to the community.
The heat.
The local bars did not have enough staff or liquor organized for the crowd.
The park street being so congested.
The parking.
The price of beer is too expensive.
The screaming metal music.
The spankler jump for \$125 VIP entry. Jump time kept changing, there were a lot of angry people over this.
The sun was too hot sometimes.
Toilets leaning...no big deal.
Too many cops being discourteous and rude.

Too much BMX, no Sayers, no wall of death
Too short.
Wind.

## Q24. What suggestions do you have for improvements to the event?

A well-known band.
Announce donate to the bucket.
Better map.
Better music.
Better music.
Better website.
Better wheel chair access.
Big name bands.
Bigger and better bands.
Bring in a bigger and better band.
Bring Keith Sayers group back.
Change bathrooms back to how they were last year.
Consider adding Sundays.
Different events.
Do not charge more than \$75 per 10X10.
Empty garbage.
Equal power for both sides of the street. Country music and close parking for vendors. Priority for local vendors.
Everything is very good.
Finalize schedules and stick to them. More maps and web app of the schedule.
Get Keith back.
Get whiskey back.
Go back to the way it was.
Incorporate mountain biking.
It was great!
Keep everything how it was in the past. No VIP for paid entry.
Keep it the same.
Keep off that drama.
Keep politics out of the event and keep it the way it used to be.
Keeping schedules on time.
