Case Study Report 2015-12

November 10, 2015

This report was funded by the Lodging Facility Use Tax, Montana Cowboy Poetry Gathering, and Central Montana Tourism Region.

Abstract

This study was conducted for the Montana Cowboy Poetry Gathering and Western Music Rendezvous to provide insight into the characteristics of attendees to the thirtieth annual event. Paper surveys were completed by 82 attendees of the event. Results show that 65% of attendees were residents of Montana and of those 63% came from outside of Fergus County. Visitors spent an average of four nights in the Lewistown area. More people spent money on restaurant/bar, hotel/motel, and retail goods while visiting the area than other spending categories. Respondents to the survey reported total spending of \$36,852 in Lewistown/Central Montana. Results provide event organizers with the Montana Cowboy Poetry Gathering and Central Montana Tourism Region with useful data for future event planning, making improvements to the event, event marketing/promotion, and understanding visitor spending associated with the event.

Executive Summary

More than half of the attendees at the Montana Cowboy Poetry Gathering were visiting from outside of Fergus County. These visitors make important economic contributions to Lewistown/Central Montana. The results of the study are worth considering for future planning of the Montana Cowboy Poetry Gathering and Western Music Rendezvous.

- 95% of out-of-county visitors spent at least one night away from home. Of those nights, an average of 4.00 were spent in the Lewistown area. 16% reported this being their first time visiting Lewistown and Central Montana.
- 97% of attendees selected the Montana Cowboy Poetry Gathering as their primary reason for being in the area.
- More money was spent by respondents in restaurant/bar (\$8,568), hotel/motel/b&b/rental cabin or home (\$8,565), and retail goods (\$6,990) than any other spending categories.
- 62% of respondents reported staying in hotel/motel, followed by 21% at a private campground.
- Attendees were mostly travelling as a couple (49%) or with family and friends (17%). The average travel group size was 2.03 people (average number of people represented in a spending group).
- The highest percentages of age categories for attendees were 65-75 year olds (58%), 55-64 years old (35%) and 75 and over (29%).
- People planned for this event ahead of time: 38% indicated that they planned to attend one to six months before the event and 35% planned over six months in advance.
- Attendees heard about the event mostly from word of mouth (56%), newspaper (35%), radio (25%), posters (20%), the July issue of Cowboys and Indians Magazine (17%), or the event website (17%).
- High levels of satisfaction with many aspects of the event were reported including: the cost of the event with a mean of 4.70 out of 5, event staff with a mean of 4.62, and organization of the event receiving a mean of 4.61 out of 5.
- Responses indicate the sound system, parking, and concessions available were the aspects of the event attendees were least satisfied with.
- 82% of attendees indicated they would attend the event next year with an additional 18% saying they would return to the event within 5 years.

Management Implications

Event attendees are traveling from other areas of Montana, other states, and Canada to attend the Montana Cowboy Poetry Gathering. This event brings both resident and nonresident visitors to Lewistown and Central Montana, and the attendees of the event make a variety of monetary contributions while visiting.

Organizers should focus on many things they are already doing well, reflected by the high levels of satisfaction with many aspects of the event. In addition, it is recommended that the organizers review the respondents' comments from Appendix B to gain insight into people's likes and dislikes of the variety of activities, number of people at the event, cleanliness, signage/directions, availability of restrooms, and location of the event. Changes based on this input could help in bringing back attendees to this event and Lewistown/Central Montana in the future.

Introduction

The Montana Cowboy Poetry and Western Music Rendezvous was hosted in Lewistown, Montana from August 13th through 16th, 2015. This was the 30th annual event held in the area. The event features poets and musical acts, art and gear vendor shows, dinners and dancing, as well as other local attractions.

The purpose of this study was to provide the organizers of the Montana Cowboy Poetry and Western Music Rendezvous 2015 an understanding of attendees at the event, their spending patterns in the Lewistown/Central Montana area, levels of satisfaction with different aspects of the annual event, as well as other information for the event organizers.

Methods

Data was collected by asking attendees to complete the questionnaire on-site. People willing to fill out the questionnaire were given a clipboard, pen, and a survey.

No documentation of the number of refusals was recorded.

Limitations

As in all research, there are limitations to the study. Limitations for this event include the following:

- Data was collected by board members and/or staff of the Montana Cowboy Poetry Gathering. These individuals were given information from ITRR on best practices for data collection including how to intercept people and obtain completed surveys.
- ITRR personnel were not present during the data collection for quality control.
- The total amount of surveys completed was a very low sample size.

Results

Of the 82 valid responses, more than half of the attendees are Montana residents (53 people) with most of those residing outside of Fergus County (31 people). For those out-of-county respondents, 16 percent of them (39 people) were visiting the Lewistown area (see Tables 1 and 2 for a breakdown of residence).

Attending The Event was the primary reason for being in the area for 97% of the attendees (62 people). This event attracted many to the area who did other things while they were here: vacation/recreation/pleasure (24 people); visit friends/relatives (15 people); business (2 people); and shopping (1 person). Attendees used a variety of lodging accommodations in Lewistown with most using hotel/motel/b&b/rental cabin or home (38 travel groups) followed by private campgrounds (13 groups). The marketing done for the event was widespread and attendees heard of the event in many places: word of mouth (43 people), newspaper (27 people), radio (19 people), posters (15 people), the July issue of Cowboys and Indians Magazine (13 people), the event website (13), and many other outlets.

The mean age of respondents was 68 years old. Of those who were from outside Fergus County and responded to the survey, 95 percent reported that they spent at least one night away from home. Of those nights spent away from home, the greatest percent of respondents (46 percent) spent three nights in Montana. The average number of nights in Lewistown was four nights. A full breakdown of nights spent as well as results of all other questions in this survey can be found in Appendix A.

Expenditures

Spending information was asked of all respondents who reside outside of Fergus County, Montana. The survey asked that they report their best estimate of the total amount of money they and their family/travel group (if applicable) spent in the Lewistown/Central Montana area in the following categories: accommodations (hotel/motel/bed & breakfast/rental cabin/home), campground, food (restaurant/bar and groceries/snacks), transportation (gasoline/diesel, auto rental), and retail/services (retail goods and entertainment/recreation).

Table 3 presents the expenditure data of only the respondents who reported spending money in these categories. The mean expenditure of those who spent money for each category can be found along with the percentage of people who reported that they spent money in that category. The last column provides the total dollars spent by those respondents in each category. The total reported expenditure for respondents who spent was \$36,852.

Q22. Please tell us what you did not like about the Montana Cowboy Poetry Gathering.

| |
|---|
| 1. Some presenters went on too long cutting others' time short; 2. Disruption of people entering/leaving the room during presentations; 3. Outdoor venue too hot Friday afternoon and acoustics poor- not conducive to poetry recitation. |
| 10th year- wouldn't miss it!! |
| 5 minutes more in between sessions |
| As a performer, it is hard to spend 5 days with travel, etc. and only sing 8 songs. Nice "round robin" sessions but hard on folks that travel so far. Maybe 45 minute sets for 'proven' performers |
| Back 40 is way too small; many people have to stand, there are people walking through, noise from vendors and from the pool |
| Back 40 music should be in Sapphire where there's less noise and a stage. |
| Better microphone in courtyard. |
| Doors not open until 6:00 at main event on Saturday |
| Hard for me to walk so far from entrance to motel to the "Back Forty" music- pretty loud noise from the vendor and pool area when musicians were performing. More chairs? |
| Hot weather |
| I don't care for the hotel. Staff not friendly. Food not good. |
| More group music. Better microphone in courtyard |
| N/A |
| N/A |
| Need better mic, especially courtyard |
| No coffee, no cookies, water not available outside of the rooms. Restaurant was unbearably slow |
| No coffee, no cookies. Snacks should be included with admission cost. Restaurant had poor service. Waited lengthy time for food and drink. Clearly not enough help. Menu limited and bland. |

| |
|---|
| No mike available for some performers |
| Not enough dance floor |
| Not enough room for the music setting area. But do like the back area- need a stage differently |
| Nothing |
| Nothing- it was all great |
| Older age, perhaps is making it harder to hear. It seemed that while the amplification helped in volume it also tended to distort. Perhaps you might consider that. |
| One performer on stage and hardly could sing! |
| Parking |
| Poets did same poems in different sessions the same day |
| Pool side venue- awful! Either move the vendors or better yet create another room for performers. |
| Poor sound system. Couldn't bring dogs in because too hot in car. |
| Rooms where entertainment occurred did not have air conditioners turned on! |
| Sessions outside in very hot weather were intolerable. Sound system not working or not used by performs that need them. No overall map for where rooms are located. Inadequate food/drinks at main site. |
| Setup of welcoming BBQ- had to walk a long way. Heat and bugs were terrible while waiting in line |
| Some of the hotel staff could have been more pleasant (front desk was great). And the Thursday night meal was poorly supplied allowing the food supplies to become exhausted before replenishing. Many people had to wait- no butter for rolls and no coffee |
| Some performers took too much time from others. Some performers did not have "cowboy poems" etc. |
| The "rotating" sessions made for too many repeat poems when going to multiple rooms to fully sample to variety of different poets. If this is the format, poets should be prepared to (illegible) more poems or maybe you should cut down on the number of participants with a limited command of their work. |
| The BBQ dinner. For \$20 each, I'm sure there are much better meals available in town. The show after was great. |
| The cassette/book providers should have to pop 10% to the gathering. |
| The food |
| The restroom was very restrictive for handicapped. |
| Hotel provided poor service |
| Vendors by pool |
| Venue for the dance- not enough chairs, carpet dance floor, no bar. The back 40 is noisy, pool, and way too small |
| We came to see Dave Stamy- love him. He was in Ellensburg 2015. My husband was born in Lewistown. |
| Hotel did not appear organized and helpful especially when food ran out at Thursday barbecue |
| Hotel food service poor |
| Poor flow through hotel, staff not helpful |
| Restaurant |
| Restaurant food |
| Location understaffed in bar and restaurant. BBQ buffet too far away and ran out of food. Didn't provide coffee or butter at BBQ. |
| |

Q23. What suggestions do you have for entertainers/performers for the Saturday night Grand Stage Show?

| |
|---|
| ?? |
| 1. Hearing assist devices; 2. MC does not need to have an "act"- he was good but we were there to hear Dave and Red |
| Cowboys need to take their hats off during show |
| Dave Stamey always |
| Dave Stamey comes back (treat him right!) |

| |
|---|
| Did not attend |
| Don Edwards |
| Don't attend that |
| Group performers with fiddles, mandolins, guitars. Baxter Black, Waddie Mitchell |
| Hank Cramer |
| Have enjoyed every Saturday performer. |
| Haven't been there yet |
| Hold the mike when reading poem |
| It was truly a performance to be remembered. All entertainers were so motivated to please as well as staff. |
| Keep at Yogo |
| Like what we have seen every year |
| Local |
| Love your choices- Dave Stamy my favorite. Fri night concert would be nice, too! |
| Mary Kaye |
| Michael Martin Murphy |
| N/A |
| Need bigger facility |
| None |
| Some years we attend, some years we are unable to. But feel you have excellent entertainment for night shows. |
| Space for musicians inadequate |
| They have been great as is over the years |
| Waddie Mitchell, Sourdough Slim, Michael Martin Murphy, High Country Cowboys (out of Red Lodge) |
| Yodeling lady from Canada should be on grand stage. Don't hear women yodelers anymore- she's the best! |

Q24. What other suggestions do you have for improvements to the Montana Cowboy Poetry Gathering?

| |
|--|
| 1. If hosts/moderator are going to read bios, read them as written; 2. Tell presenters they have only 10 mins. |
| All was very nice other than dinner first night |
| BBQ was disappointing. Not enough parking. Signage/directions were mostly OK. Handicap restroom- would be nice to have higher toilet in ladies room. |
| Better sound |
| Better sound at BBQ. Constructions at location and took up a lot of parking space |
| Bigger venue |
| Cool the performing rooms down! |
| Definitely need improved sound systems. Sound in courtyard was disaster. |
| Don't drop your voice on the punch line |
| Good job! |
| Great job |
| Hotel costs were high in my opinion- drinks/food as well as hotel room costs. |
| Insist on better food! BBQ, mashed potatoes, a real tossed salad, and drinks i.e., tea, coffee, sodas. Butter for the bread. |
| Just continue- moving it back to the Yogo- just more comfortable surroundings. But, we still enjoyed the entertainment regardless. |
| Loved Rattlesnake Jack |
| Mix in some coffee breaks between sessions with local sponsors- sure would help in the afternoon! |
| More chairs for courtyard and Back 40 |

| |
|--|
| More chairs for music area. Need more hours for music. |
| More courtyard chairs. |
| More outside event can take dogs. Too hot in car. Didn't get to sit through as many events because too hot for dogs in camper very long. |
| More Western vendors... loved the ones you had. Spent \$\$\$. We will be back next year. |
| Move Back 40 to the Sapphire room. Find a better spot for the dance- Eagles or Sapphire room. At least one is not a country/cowboy performer |
| Move it away from current location if possible. Not a good place. |
| Move to better location |
| None |
| None |
| None |
| Only want longer sets for performers who have paid their dues and proved they are great entertainers. |
| Open mike on Friday was overcrowded and no food after 7:30 |
| Please have water and coffee in the vendor area, for the vendors. Vending machine was broken. |
| The Fri jam was fun but woefully mis-planned. People were pouring in and there were no seats. There should have been a full bar and real dance floor. Many performers came which is great, but it was embarrassing that they had no place to land. |
| The host for the day sessions need to keep control of the time and know that some "hog" the time. Maybe a bell to ring when time is up. Cut down on number of people invited. |
| The hosts need to give full names of performers, not just first names. |
| This year in Elko they had a story tellers night for newbees. Ran rampant. It was great! |
| Too hot outside for cowboy poetry. Nearly everyone use the mike. All rooms should have mikes. Some poets went overtime and others didn't get enough time. |
| Use the microphones more |
| Water available in day. Vending machines out of order. |
| We thought it was fine |
| Well worth attending |
