e. Panasuk thanked Senators who attended the tuition forum.
f. President Dennison will speak to Senate at the February 22nd meeting. Senators are encouraged to give Panasuk additional questions for him.
g. Executive budget recommendations were completed over the weekend, the main goals being consistency and fairness. Deines added that there were $906,000 worth of requests that had to be reduced by approximately $350,000. A list was circulated showing teams of Senators for the budget books. See Deines for related problems.
h. Check the Reading File for a copy of the human rights filing that is now complete.

Vice-President’s Report - None

Business Manager’s Report - None (reported above)

Committee Reports

a. Souza reported that special election plans are going smoothly. No RSVP volunteers are available, so he needs Senators to volunteer.
b. Gregory submitted the Matt Lee Support Group for ASUM recognition, which Senate approved.
c. ASUM lobbyist Brien Barnett reported on legislative bills. He can be contacted through SPA Director Pullar or by calling his pager.
d. Miller reported that SB43 passed through committee with a minor amendment. SB50 for constitutional change is tabled.
Unfinished Business

a. A motion by Shonk to suspend House Rules to consider SB42, 46, 48 and 49 failed by lack of a second to the motion.

c. A motion by Shonk-Souza to suspend House Rules to consider SB48 and 49 failed.

A motion by Marek-Gregory to postpone consideration until the next Senate meeting failed. A call of previous question by Hadley-Dishon failed. A call of previous question by Lee-Dishon passed. h. A motion by Akhtar-Dishon to suspend House Rules to reconsider SB28 passed. A call of previous question by Akhtar-Dishon passed. Upon immediate vote SB28 passed 13Y/4N/1A on a roll call vote. A call of previous question by Miller-Dishon passed. Upon immediate vote the resolution passed.

k. A motion by Marek-Dishon to suspend House Rules to consider SB48 passed. This was ruled out of order, since it cannot be moved to consider the same resolution twice in the same meeting.

ASUM Office Manager
RESOLUTION TO OPPOSE A DIFFERENTIAL INCREASE IN TUITION

Whereas, the administration has determined that tuition rates must be increased, and,

Whereas, the administration has also determined that such an increase should be ten percent higher for juniors and seniors than freshmen and sophomores, and,

Whereas, students can barely afford such an inevitable increase in tuition, even without the differential between accumulated credits, and,

Whereas, the increased cost of educating upperclassmen is already reflected in required prerequisite classes, and,

Whereas, increased tuition for upperclassmen will hamper the graduation rate due to credit constraints resulting from administrative miscalculations, and,

Whereas upperclassmen have already invested enormous amounts of money into the university, and,

Whereas, this differential tuition increase is simple discrimination against upperclassmen,

THEREFORE LET IT BE RESOLVED that ASUM Senate, while understanding the inevitability of tuition increases, is opposed to any differential increases in tuition.

LET IT BE FURTHER RESOLVED that ASUM generates a referendum on differential tuition which would appear on the upcoming special election, and the ballot should read:

___ FOR a differential tuition increase
___ AGAINST a differential tuition increase

Authored by Erik Hadley and Dana Shonk
Sponsored by Jennifer Panasuk, Renee Hilburn, and Tye Deines

Passed 3/8/95
RESOLUTION TO AMEND THE ASUM BYLAWS
Article IV, Section 1

Whereas the ASUM committees have not been meeting on a regular basis this academic 1994-95 year, and,

Whereas regular meetings of the committees are essential for the completion of business, and,

Whereas regular meetings of the committee members shall promote communication between the students, administration, the ASUM Senate, and other committee members,

THEREFORE BE IT RESOLVED that the ASUM Bylaws, Article IV, Section 1 be amended to include the following:

K. All ASUM committees shall meet at least once per month. The chair of the committee is responsible for contacting members of the committee, establishing a meeting time and location. The only committee exceptions to this are Constitutional Review Board, Elections Committee, and Interview Committee which shall meet on an "as needed" basis.
