Inter-office MEMORANDUM

DATE: 2/28/94

TO: ASUM SENATORS

FROM: Jolan, Tim, and Ed

Re: Allocation of General Fund Support Dollars (GSF).

To begin with, sorry this memo is late, we are sure it would have provided useful for those whom were looking at the budgeting info. over the weekend.

We recommend the following amounts be allocated from GFS:

<table>
<thead>
<tr>
<th>ORG#</th>
<th>DESCRIPTION</th>
<th>AMOUNT</th>
</tr>
</thead>
<tbody>
<tr>
<td>7029</td>
<td>Child Care Rent</td>
<td>15,443</td>
</tr>
<tr>
<td></td>
<td>Alumni Career Consult.</td>
<td>10,000</td>
</tr>
<tr>
<td>7074</td>
<td>Escort Service</td>
<td>18,066.86</td>
</tr>
<tr>
<td>7060</td>
<td>Advocates Legal Services</td>
<td>1,490.14</td>
</tr>
</tbody>
</table>

The reasoning behind this decision are as follows:

- Child Care rent: This is above the amount requested on their budget request forms. It is because the money for rent was pretty much grandfathered in by an agreement with a past University President and Child Care.

- Alumni Career Consulting: We thought it would be good to fund them out of this fund because of prior agreement and to give them some freedom in using funds. This is the total amount requested on forms.

- Escort Service: This is in accordance with Fiscal Policy 11/94, ITEM 6.4 A, and a past agreement with the Univ. Administration. This is the total amount requested on forms.

- Advocates: We originally wanted to fund their budget entirely out of ASUM funds to provide as a check of how Advocates spend their money, but there was money left over from the above three groups, so that amount was allocated to Advocates. The math is as follows:

\[ 6155.12(\text{Exec. Rec.}) - 1490.14(\text{Amt. funded by GFS}) = 4664.98(\text{amt by ASUM}) \]

The recommendation will be put before the Senate after the order is drawn but before budgeting begins.

Note: The Business Manager provided you with the wrong copy of the Exec. Rec. spread sheet. You received the copy which was on the door of ASUM. Please except his apologies.
