Memorandum

Date: March 21, 1994

To: All ASUM Groups

From: Donielle Boyle, Assistant Director for Student Action
      Tye Deines, ASUM Senator

Re: Survey and Forum on ASUM budgetary reform.

We continue to hear growing concerns over the fairness and efficiency of the ASUM budgeting process. We feel that these concerns have become significant enough to warrant our attention. Student Political Action has decided to form a subcommittee to research and plan a forum to discuss reforming the budgeting process so that it will meet the shared expectations of the ASUM groups who request funding. Our aim is to address your concerns and translate them into resolutions to restructure the system where necessary. To help us in our planning, please answer briefly the following questions on the back or on a separate sheet of paper and send your responses back to either Donielle Boyle or Tye Deines at ASUM Administration by April 1, 1994.

1) Does your organization receive funding from ASUM?

2) What suggestions would you have, if any, to reform the budgeting process (answer with respect to formal lobbying, informal lobbying, executive recommendations, final Senate allocation, and Special Allocations and how these processes handle accessibility, fairness, consistency, legitimacy, etc.)?

3) Would your group be interested in participation in a forum to discuss budgetary process reform?

4) What other suggestions might you have for discussion in an all group forum?

Thank you for your time and consideration. If you have any questions please call or leave a message with Donielle Boyle (ASUM 143-2451; Office 243-1039 Home 728-1107) or Tye Deines (ASUM 243-1451; Home 728-2630).

Please reserve and mark down April 19th at 7:00pm for the next All ASUM group meeting. Thanks.
Resolution to Amend Article 12 Section 3 of the ASUM Constitution

Whereas the current article 12 section 3 of the ASUM Constitution reads:

Any member of the Association may petition the Board to review any matter concerning the constitutionliy of the ASUM Bylaws or policies.

Whereas non-member students may be effected by the decisions of the ASUM Senate or Executives,

Whereas article 12 section 3 does not allow non-member students to exercise the right to petition any matter to Constitutional Review Board if they want to do so,

Whereas a large number of non-members are those students who have either completed enough course work to graduate and do not need to register for at least 7 credits or those students who simply can not afford to pay the fees for more than seven credits.

Whereas most of the non-member students are not non-members by choice,

Whereas non-members may be as much interested in ASUM affairs as members

Whereas non-members constitute a minority group and a democratic government must recognize the rights of minorities,

Therefore, be it resolved, that the Senate amends the article 12 section 3 of the ASUM Constitution to read as follows:

Any student may petition the Board to review any matter concerning the constitutionliy of the ASUM Bylaws or policies.

Therefore be it resolved that the Senate amends Article 3 Section 5 of the ASUM constitution to read as follows:

The President, Vice President or the Business Manager may be removed from office by (1) a two-third (2/3) vote of the Senate and (2) a majority vote (50% plus one) of at least 12% of the ASUM membership as defined in Article 1. Agencies and member groups shall serve their constituency. It is the responsibility of all agencies and member groups to define goals and to adhere to practices described in their constitutions or statements of process, as approved by the Board on Member Organizations. Decisions by that Board are subject to appeal to the ASUM Senate.

Whereas in the registration forms for member organizations there is no column about the Statement of Process.

Whereas the current article 7 section 1 of the ASUM constitution reads:

> Only members as defined by Article 1 of this Constitution are eligible to hold or run for an elective or appointed position in the Association or to vote in any ASUM election, except certain initiatives as defined in this Constitution. In order to hold any elective or appointed position, a member must be in good standing, which is defined as maintaining a 2.0 cumulative grade point average. No person shall hold or be a candidate for any two of the ASUM elective positions listed in Article 4, Section 2 at the same time.

Whereas elective positions are **not** listed in section 2 of the article 4 of the ASUM Constitution.

Whereas elective positions are listed in section 1 of the article 4 of the ASUM Constitution.

Therefore be it resolved that the Senate amends Article 7 Section 1 of the ASUM Constitution to read as follows:

> Only members as defined by Article 1 of this Constitution are eligible to hold or run for any elective or appointed position in the Association or to vote in any ASUM election, except certain initiatives as defined in this Constitution. Resolution to Hold Constitutional Convention

Whereas it is becoming increasingly difficult to motivate and educate the members of the ASUM for constitutional amendments,

Whereas a vast majority of ASUM members are not interested in the ASUM,

Whereas it is very expensive difficult and time consuming to hold constitutional referenda as defined in the article 10 section 1 of the ASUM Constitution,

Whereas majority of members do not understand the constitutional problems faced by the ASUM Executives, Senate, and related agencies,

Whereas because of the rapidly changing nature of the University System, current ASUM Constitution needs to be reviewed and amended on a regular basis,

Whereas it is easier for the ASUM Senate and Executives, to educate, and communicate with smaller number of informed members than large number (12%) of un-informed and uninterested members,

Therefore be it resolved that the ASUM senate amends the article 10 section 1 of the ASUM Constitution to read as follows:

This Constitution may only be changed by amendment or revision submitted to the members of the CONSTITUTIONAL CONVENTION as a constitutional referendum.

Further be it resolved that the ASUM senate approves the addition of the following sections in the article 10 of the ASUM Constitution:

Article 10

Section 2. There will be Constitutional Conventions, if and when required, to approve or disapprove the changes in the Constitution, proposed by the ASUM Senate. Changes will be in the form of amendments.

(a) Two members from each ASUM recognized group including the President/Chair of the respective group, nominated by the majority vote of the members of the group.

(b) Two members from each academic department of the University of Montana, nominated by the Department Chair.

Section 4. Procedures for the Constitutional Conventions shall be enumerated in the Bylaws.

Section 5. Section 2 of article 10 of the current ASUM Constitution becomes section 5.

RESOLUTION TO OPPOSE SPECIAL FEES ON INTERNATIONAL STUDENTS

WHEREAS Dean of Students Barbara Hollmann has expressed the Administration's interest in a special fee for international students above and beyond the normal out-of-state charges, and

WHEREAS this is unfair, unnecessary, and harmful to the diversity that enriches our campus community, and,
WHEREAS the ASUM Senate cannot support discrimination against any group of our student body,

THEREFORE, the ASUM Senate opposes any fees charged against international students that do not apply to the student body as a whole.
