Committee Reports

- a. Rogers reported that Publications Board interviewed and selected the following Kaimin officers for the 1994-95 school year: Kyle Wood, Editor; Mendy Moon, Business Manager.

The Elections Committee decided that this error would not have changed the results significantly, and, therefore, did not call for invalidating the election. A letter of apology will be sent to the two (Exhibit A2).
- g. Redenius reported ASUM Affairs passed SB144 and SB147, but SB148 is still in committee. The Athletics Committee met with the new women's soccer coach. Recruitment is continuing. The committee discussed men's and women's tournament schedules and recommended an increase to six games from four for the women to equal the men's schedule.

- h. Brown announced that CDC will meet at 7:30 a.m. Friday. A River Bowl subcommittee will be recommending the construction of a fence to enclose the River Bowl, which will result in controlled access to student groups, i.e. Rugby Team. An unidentified donor has offered to pay for the fencing. Senate voted to suspend the House Rules to take an opinion vote on the issue. They voted unanimously in opposition of the fencing. University Affairs meets Tuesdays at 6 p.m. in the Copper Commons.
- i. Lindsay reported that UTU negotiations are not going as smoothly as expected. He expects Friday and Saturday meetings this week.
- j. Katzman noted that Student Health Advisory Committee is discussing expanded facilities and services. ASUM's resolution seeking an alternative fee make-up for parking was received well by Ken Willett, but Vice-President Todd does not appear to be receptive. He will continue to aggressively pursue the issue and asked for executive help.

To whom it may concern,

This is in regard to the primary elections that took place yesterday. We are here by filing a grievance on the elections because you idiots misspelled both of our names. We demand a new election take place with our names spelled correctly this time. We were clearly misrepresented and our names were hardly recognizable, thus leading to a poor showing in the polls. Thank You

Ryan Husmann

Maleko Lopez

April 13, 1994

The ASUM Elections committee extends a formal apology to Ryan Husmann and Eldena Bear Don't Walk for misspelling their names on the ballot for the Primary Election.

It was a human error on the part of an Elections committee member and I myself apologize for not looking over the ballot ahead of time.

We would like to extend our sincerest apology to Maleko Lopez. When Mr. Lopez filled out his registration card upon returning his petition, he registered as Mark Lopez-McDonnel. It was this first list that the Elections member used to type the ballot. Mr. Lopez, however, had called the ASUM offices immediately and called myself, the Elections chair, to have this corrected to Maleko Lopez. His name was corrected on the list that was to be used for printing the ballot. However, this list was not used to make the ballot. We apologize for this error.

However, because both "Husmann" and "Lopez" were spelled correctly on the ballot and this is how these names always appeared on their campaigning signs, we feel this ticket was still easily recognizable and do not feel invalidating the election is necessary. There were no other similar names on the ballot that day.

Again, we apologize for our error, but do not feel the mistake was grave enough to mandate having another Primary Election. If this were to happen, it is only obvious to predict turnout would be even lower and time to reserve the UC and properly advertise is not available.

We hope that you accept our apology for our mistakes.

Sincerely,

Michele Mather, Elections Chair and
The ASUM Elections Committee members
