Resolution to Change Recognition Application Form

Whereas The current form is outdated, and

Whereas The current form desperately needs additional clarity provisions added for those filling it out, and

Whereas This can be done by switching sections and rearranging the current format of the application,

BE IT RESOLVED That the current Membership Recognition Application Form be amended as done in committee and stipulated by Bruce Barrett.

Resolution regarding process of recognizing student group applications

WHEREAS Student groups requested application forms earlier than expected and ASUM was not ready to handle the requests, and

WHEREAS ASUM should work with the student groups requesting to be recognized early in the semester, and

WHEREAS This process needs to be as expedient as possible for both the groups and Board on Member Organizations, and

WHEREAS The current By-laws read, "The Board on Member Organizations shall review all applications for groups and organizations that wish to register with ASUM and/or receive ASUM funding. This process shall occur after the fifth week of Fall Semester and as needed throughout the year. The Board shall also review all re-registrations by previously recognized groups and organizations." (Article VI, Section 4, B), therefore

BE IT RESOLVED ASUM changes its By-law to read, "The Board on Member Organizations shall review all applications for groups and organizations that wish to register with ASUM and/or receive ASUM funding. Forms will be ready to distribute to groups requesting them the second week of Fall Semester. The process of reviewing applications by the Board shall occur after the fifth week of Fall Semester and as needed throughout the year. The Board shall also review all re-registrations by previously recognized groups and organizations." (Article VI, Section 4, B).
