ASUM Office Manager
RESOLUTION FOR COUNTY ELECTIONS REFORM

WHEREAS Jana Boucher, a county elections official, misinformed students about our eligibility to vote, and
WHEREAS the County has held an election without making any serious attempt to inform voters of the polling places, and
WHEREAS the negligent errors in the elections procedure have disenfranchised Precinct 52, including the dorms of the University, and has altered the results of the Ward One City Council Election involving that precinct, and,
WHEREAS the system of changing polling places according to arbitrary choices about types of elections is illogical, confusing, and discourages voters, and,
WHEREAS Vicki Sier has set up a task force without student representation has been set up to deal with election problems,

THEREFORE the ASUM Senate formally requests that:

The nearest suitable, available, and accessible polling place to each Missoula County precinct become that precinct's only polling place for all types of elections. For the dormitories and family housing units, the polling place should be the University Center.

The task force that deals with election reform must be representative of the whole Missoula community, and must include student representation. All of their meetings must be open to the press and the public, and must be publicized in advance to encourage maximum citizen participation.

The Student Political Action Committee will seek information about how many students were disenfranchised by this process, and will collect written statements from affected students who live in Precinct 52 to determine the extent of the damage caused by these procedural problems.

(At least 107 sign statements to this effect, and 50 students directed elect to fill appropriate legal action.)

Resolutions to Allow for Discharge Petitions

Whereas, under current tradition, committees have been unilaterally "killing" duly introduced legislation, and;
Whereas, a committee contains only a minority of the Senate, and may not reflect the views of the majority of the Senate, and may not reflect the views of the majority of the Senate, and;
Whereas, current rules require the undue burden of 2/3 of the Senate to protest before a measure can be debated by the Senate as a whole, and;
Whereas, this can stifle the democratic process, but
Realizing that the committees must still have an important role in shaping legislation,

Therefore be it resolved that the following is entered into the ASUM Bylaws:

ARTICLE V
A. A bill sent to committee and not returned to the Senate shall be discharged to the Senate under Unfinished Business as a seconded motion, using the following procedure: A voting member says, "I move that (resolution number and/or title) be discharged from committee," and the motion is seconded. A simple majority vote of the Senate will bring the measure to the table.
B. A discharge petition must be introduced no later than the second consecutive Senate meeting following the bill's termination.

Further be it resolved that:

ARTICLE V, "Definitions of existing ASUM Bylaws, Approved 9-93, shall be renamed ARTICLE VII.

RESOLUTION TO AMEND ARTICLE IV, SECTION A(J) IN BYLAWS

Whereas, this section has been helpful in the past in certain instances, and
Whereas, there is a need for immediate action from these groups for certain issues,

BE IT RESOLVED that Article IV Section 1(J) of ASUM Bylaws (Article VI, Section 1(J) of old Bylaws) be amended to read:

All approved actions of all ASUM Committees may be forwarded to the next ASUM Senate meeting as a seconded motion unless there is objection from any member of the Senate. In the case of objection, a majority vote shall be required to bring the motion before the Senate.

The definition of seconded motion is to be entered under "Definitions" in the Bylaws.
