Amended Resolution  SB82, 12/8/93

WHEREAS the Regional Health Authority which will serve Missoula will include a representative from each county, and
WHEREAS Dr. Nancy Fitch, Director of Student Health Service at U of M is one of four finalists to represent Missoula county, and
WHEREAS Dr. Fitch's nomination to this position would ensure that the interests of students are represented on this authority, and her experience would benefit Missoula County as a whole,

THEREFORE, be it resolved that the ASUM Senate endorses the candidacy of Dr. Nancy Fitch to represent Missoula County on the Regional Health Authority, and sends the letter below to Dorothy Bradley, Chair of the Montana Health Care Authority.

December 9, 1993

Dorothy Bradley, Chair
Montana Health Care Authority

Dear Ms. Bradley,

The ASUM Senate, on behalf of the student body, would like to offer our endorsement of Dr. Fitch's candidacy to represent Missoula County in our Regional Health Authority. Dr. Fitch's duties as the head of our Student Health Service are both those of an administrator as well as those of a health care provider. Our health service is based on the principle of affordable, high quality health care which is available to all students. Dr. Fitch has managed a prepaid health care system, similar to an HMO, and we believe that her first-hand knowledge of new ideas in health care delivery will be an asset to the Regional Health Authority.

Additionally, Dr. Fitch's experience in working with students includes broad-based health education regarding topics such as substance abuse, sexually transmitted diseases, and sexual assault prevention. Dr. Fitch has been a loyal and dedicated medical practitioner at the University of Montana since 1985, and this experience has given her a special understanding of the medical issues facing young people today.

Health care reform will require many new innovations to make quality health care available to all Montanans. We believe that Dr. Nancy Fitch has the qualifications and the ability to excel in this position. Thank you.

Sincerely Yours,

J.P. Betts
for the Associated Students of the University of Montana
