RESOLUTION TO OPPOSE RIVERBOWL FENCING

WHEREAS The Riverbowl is a public good used by both the University of Montana and the Missoula community,

WHEREAS A fence would destroy the "natural" beauty and accessibility to the public of the Riverbowl,

AND WHEREAS The recent decision to build the business building on the Clover Bowl further reduces green space and the available areas for campus recreation and other outdoor activities,

LET IT BE RESOLVED THAT, ASUM opposes any and all action limiting the use of any part of the Riverbowl by means of fencing or other unnatural barrier.

Sponsored by Senator Brian Wetterling
A RESOLUTION OF THE A.S.U.M SENATE FOR A REFERENDUM AFFIRMING SUPPORT OF THE MASTER CAMPUS DEVELOPMENT PLAN FOR THE CLOVER BOWL WHICH GUARANTEES RECREATIONAL USE OF THE AREA'S GREEN SPACE. CONCURRENTLY, NO FURTHER LIMITATION ON PUBLIC ACCESS OF THE RIVER BOWL SHOULD BE ADOPTED.

Whereas, The Master Campus Development Plan for the Clover Bowl encompassed considerable human and monetary resources for the assurance of student recreational opportunities on campus; and

Whereas, The need for a new Business Administration Building is undeniable and sites for its construction have been specified in the development plan for the Clover Bowl; and

Whereas, The decision-making process which culminated in the site selection of the Clover Bowl for the proposed Business Administration Building lacked appropriate student comment; and

Whereas, The need for an attractive campus environment with considerable green space has been a consistent desire among the campus community and among campus development planners; and

Whereas, There are consistent and considerable attempts to significantly limit public and student activities on the River Bowl by means of a fence around a portion of this city greenway; and

Whereas, The cumulative impact on student recreational opportunities by either constraining public recreational activities on River Bowl greenway or building upon the Clover Bowl will require student outdoor activities to occur off-campus;

THEREFORE BE IT RESOLVED THAT THE A.S.U.M SENATE WISHES TO PLACE A REFERENDUM ON THE MAY BALLOT WHICH WILL GIVE STUDENTS THE OPPORTUNITY TO VOICE THEIR OPINION ON THIS IMPORTANT MATTER.

Jeff St. Peter

Campus Recreation Fee Referendum

Whereas, the Campus Recreation program is widely used at The University of Montana.

Whereas, due to Regental mandate, auxiliary service funds can no longer be used to fund Campus Recreation.

Whereas, it is important for the Campus Recreation program to be guaranteed a constant source of funding.

Whereas, it is equally important for the students of The University of Montana to voice their opinion before the inception of any new fee.

Therefore, Be it resolved that ASUM supports a campuswide student referendum for a $10 per semester Campus Recreation Fee. The referendum shall be stated as follows:

____ Yes, I support a $10 per semester Campus Recreation Fee.

____ No, I oppose a $10 per semester Campus Recreation Fee.

Sponsored by Eric Hummel and Jeff St. Peter

Approved 4/22/92
RESOLUTION TO CREATE AN INTERNATIONAL STUDENT ASSOCIATION COMMITTEE

WHEREAS, improved communication between the International Student Association and ASUM would benefit both groups and others.

THEREFORE, be it resolved that the Associated Students of the University of Montana create an International Student Committee to be composed of two ASUM Senators and two International Students.

Sponsored by Senator Udo Fluck
