Purchasing Policy

In order to prevent purchasing activity which is not in the best interests of the Associated Students of the University of Montana, or any of its subsidiaries, this document is being written. This document will outline, in broad terms, the purchasing policy to be employed by ASUM in all subsequent purchases after this document has been adopted in final form and included within the official ASUM Fiscal Policy. Changes and omissions from this policy will thereafter only be made after consultation with the members of the Budget and Finance Committee and the approval of two-thirds (2/3) of the Senate.

Part I: Purchases With A Total Price Of Under 35.00 Dollars Made By ASUM Executives.

Any Purchase to be made by an ASUM Executive from the administrative operational budget may be made on the Executive's authority as an Officer of ASUM, subject to funds availability confirmation from the ASUM Accountant, provided the purchase is consistent with purchaser's budget and ASUM Fiscal Policy. Deviations from the budget [Including Line Item Changes, Special Allocations, and S.T.I.P.] must be approved by Budget and Finance and the Senate. In addition, the purchaser is obligated to make a concerted effort to obtain the lowest possible price on the purchase. A summary of these types of purchases, which must include the name of the vendor, price of the goods or services purchased and the name of the purchasing officer must be provided on a monthly basis to the Budget and Finance Committee and the ASUM Senate.

Part II: Purchases With A Total Price Of Under 250.00 Dollars.

Any Purchase to be made by ASUM, its member organizations, or executive officers and agencies, may be made with the approval of the ASUM Business Manager [In the case of a purchase made by the Business Manager, purchases shall be made with the consent of the ASUM Vice-President], subject to funds availability confirmation from the ASUM Accountant, provided the purchase is consistent with purchaser's budget and ASUM Fiscal Policy. Deviations from the budget [Including Line Item Changes, Special Allocations, and S.T.I.P.] must be approved by Budget and Finance and the Senate. In addition, the purchaser is obligated to make a concerted effort to obtain the lowest possible price on the purchase.
as custodian of the bids, until the day and time of unsealing arrives, at which time the bids will be handed over to the Business Manager and the aforementioned parties, in the presence of the aforementioned parties, for unsealing;

- The Price quotes must be for the same, that is to say identical in every respect, item [if the quotes are not for the same item, there must be a documented justification in permanent files for the non-provision of price quotes on the same item];

- The purchase must be consistent with Purchaser's Budget and ASUM Fiscal Policy. Deviations from the budget [including Line Item Changes, Special Allocations, and S.T.I.P.] must be approved by Budget and Finance and the Senate;

- The Purchase goes to the lowest price quote, if however, the purchase is to be awarded to a higher priced vendor, documented justification in permanent files must be provided explaining why the purchase is to be so awarded. If a vendor with a higher [that is to say, not the lowest] price quote is to be awarded the bid [that is to say, the purchase] the consent of the ASUM Senate is required.

**Part V: Purchases With A Total Price of Greater Than 5000.00 Dollars**

Any Purchase to be made by ASUM, its member organizations or executive officers and agencies may be made with the approval of the ASUM Business Manager [in the case of purchases made by the Business Manager, purchases shall be made with the consent of the ASUM Vice-President], subject to funds availability confirmation from the ASUM Accountant, provided that:

- The purchase is sent over to the state purchasing office for bidletting and procurement. The decision of the state purchasing office shall be considered binding upon ASUM and its subsidiaries unless convincing, documented justification in permanent files, accompanied by a two-thirds (2/3) majority approval by the ASUM Senate is provided for overturning the decision of the state purchasing office.

- The purchase must be consistent with purchaser's budget and ASUM Fiscal Policy. Deviations from the budget [including Line Item Changes, Special Allocations, and S.T.I.P.] must be approved by Budget and Finance and the Senate.
Part III: Purchases With A Total Price of Under 1000.00 Dollars But Greater Than 250.00 Dollars.

Any Purchase to be made by ASUM, its member organizations or executive officers and agencies may be made with the approval of the ASUM Business Manager [In the case of purchases made by the Business Manager, purchases shall be made with the consent of the ASUM Vice-President], subject to funds availability confirmation from the ASUM Accountant, provided that:

- The purchasing organization obtains a minimum of three (3) price quotes from separate vendors, which must be presented to the Business Manager and documented in permanent files by said officer at the time of release of funds;

- The price quotes must be for the same, that is to say identical in every respect, item [if the quotes are not for the same item, there must be a documented justification in permanent files for the non-provision of price quotes on the same item];

- The purchase must be consistent with purchaser's budget and ASUM Fiscal Policy. Deviations from the budget [Including Line Item Changes, Special Allocations, and S.T.I.P.] must be approved by Budget and Finance and the Senate;

- The purchase must be made from the vendor who offers the lowest price quote, if however, the purchase is to be awarded to a higher priced vendor, documented justification in permanent files must be provided explaining why the purchase is to be so awarded. If a vendor with a higher [that is to say, not the lowest] price quote is to be awarded the bid [that is to say the purchase] the consent of the ASUM Senate is required.

Part IV: Purchases With A Total Price of Under 5000.00 Dollars But Greater Than 1000.00 Dollars.
