| Paula Rosenthal                | Business Manager |        |

**FACULTY ADVISOR**

Not appointed as yet.
Chairman Wickstrom called the meeting to order at 6:25 p.m. Members present were Barber, Bennett (6:55), Dale, Grubb, Hargesheimer, Hummel, Jackson, Krause, Kuntz, Lewis, Neuhardt, Oliver, Redhorn, Singer, Tinsley, Warden, West, Wetterling and Zink.

Zink - Warden moved to approve the minutes of the March 13, 1991, meeting as written.

President’s Report

a. Hollenbaugh has the schedule for Library Dean candidate interviews if anyone is interested in attending.

b. No Senate Advisor has been found. Please see Hollenbaugh if you have any suggestions.

c. There will be a Changing Attitudes, Changing Time Program regarding campus safety. See Hollenbaugh for the schedule.

d. Hollenbaugh reviewed ASUM office internal location assignments.

e. ISA is sponsoring several programs during this International Week.

ASUM will not have their garden plots this year. The pump is broken and needs repair, and the costs appear prohibitive.

April 25 is Aber Day. President Dennison is not dismissing classes, but he suggests that class time be used to do something appropriate. If you have any ideas, see Hollenbaugh.

The ASUM executives have posted their office hours. Please check their respective doors.

Vice President’s Report

a. Wickstrom offered the following slate for approval:

University Athletic Committee - Greg Lewis, alternate
Student Union Board - Cory Henderson, Dan Astle, Winnie West
Budget and Finance - Steve Young, Brian Aklestad
Scholarship Committee - Polly Rhodes

Rosenthal - Tinsley moved to approve. Motion carried.

b. Wickstrom announced a senate vacancy - Adam Kraft never took office, as he is not registering this quarter. Hollenbaugh offered the appointment of Bill Rathert for the vacancy - the 21st candidate (in total votes). Upon vote, the Senate rejected the appointment and called for the selection to be made by a committee through the interview process.

c. (Tim Berg, former Senator, gave his talk on parliamentary procedure before the meeting convened.)

d. Dennis Caliman, Campus Security, gave an overview of their activities and responsibilities and entertained questions.

Business Manager's Report

a. Rosenthal reported on line item changes she approved since taking office to bring the Senators up to date (Exhibit A).

b. Rosenthal explained the difference between Special Allocation (special unbudgeted expense) and STIP (one-time, on campus, capital expenditure that benefits a large cross-section of students) requests.

Committee Reports

a. Randi Erickson, City Council Representative, reported on the City Council. Erickson and Senator Tinsley will be holding a briefing session on the pros and cons of semester conversion and urges participation. She encourages Senators and others to attend the April 15th City Council meeting and speak during public comment in an attempt to garner support from the Missoula business community.

b. Krystin Deschamps, SLA Director, reported that funding has reached a critical stage in the legislature. There will be a student rally to support HB1007. Time for the rally will be determined at the Tuesday, April 16, meeting.

c. Julie Kuntz reported on the Student Union Board space allocations. Kuntz also announced that the Rape and Sexual Assault Task Force will hold a workshop. The announcement is in each Senator's box. Women's Resource Center will be showing movies each Friday.
d. Chris Warden announced that the Student Diversity Task Force has completed its first draft on diversity in student affairs. See Warden if you are interested in reading it.

Public Comment Period

Objective: To endorse and assist in sponsoring a competition between a team of ASUM Senate members and a team of UM Residence Assistants to help promote the newly established Student Wellness Program. The competition will help promote the services Cholesterol Screening service and class during Wellness Awareness Week, April 15-19.

Whereas, Student participation and commitment to the UM Student Wellness Program is essential to the growth and viability of the service;

Whereas, ASUM participation in this program would bring both the needed student participation and the public relations that the program will need to promote itself to the general student public;

Whereas, ASUM could assist in providing the much needed financial support and coordination that will be needed for this event;

THEREFORE, BE IT RESOLVED THAT...

... the ASUM Senate agree to the following commitments:

1. That they establish a team, consisting of no more than ten individuals, to both have their cholesterol and blood profiled by the Health Service and attend the Healthy Heart Class.

2. That these individuals agree to let the Wellness Program calculate and total their cholesterol and blood lipid scores, with the intention of publication.

3. That the Senate formally challenge another student group to do the same.

4. That the Senate or Executive Board agree to provide either the total amount or a percentage of the cost to pay for this service.

5. That the Senate team agree to complete the blood work by 4:00, April 19, 1991.

A RESOLUTION TO SUPPORT HB 1007—REP. MIKE KADAS (D) MISSOULA
"AN ACT INCREASING INDIVIDUAL AND CORPORATE INCOME TAXES TO PROVIDE FUNDING FOR
HIGHER EDUCATION; APPROPRIATING MONEY TO THE UNIVERSITY SYSTEM..."

Whereas we are student representatives and we have a responsibility to actively support legislation which would enhance our funding situation;

Whereas HB 1007 would bring the University of Montana to the levels of our peers in five years;

Whereas it is the goal of the Montana University System to have funding comparable to its peers; and

Whereas HB 1007 would ameliorate, and hopefully solve, the chronic underfunding problem which faces the school every legislative session;

Therefore Be It Resolved that the Associated Students of the University of Montana support HB 1007.

Authored by the SLA Committee
Sponsored by ASUM Senator Danna Jackson
