The SPTA would like to purchase an up-to-date wheelchair to be used in the Physical Therapy Department for student practice and also for projects such as the recent disability awareness project that was sponsored by the association. There are presently two wheelchairs available which are insufficient because of age and broken parts.

Harrington Surgical Supply will contribute
- $500.00 Departmental Excellence Fund
- $100.00 Student Physical Therapy Association
- $250.00 ASUM

Total Cost: $1000.00

This funding from ASUM is necessary in order to make this purchase and take advantage of the donation given by Harrington Surgical Supply on a new wheelchair. This wheelchair will be used by professional students in the department and also by pre-Physical Therapy students for many years to come. In February, the SPTA sponsored a handicap awareness project on campus that helped to enlighten the entire student, staff, and faculty population at the university on disability access issues on campus. The SPTA is becoming more involved with the growing disabled population at UM and is working to improve public awareness of this group and also of the Physical Therapy program. With this funding from ASUM, the wheelchair will be ordered immediately and available in the fall for use on campus. Since it is new and of highest quality, it will be a long-term investment that will benefit the entire campus for many years.

The SPTA considered buying a used wheelchair, but decided that this proposal would be the best long-term investment for the greatest number of people. When considering used chairs, the price range is from $250-500. But this equipment would be usually out-dated and not in the best condition. For the difference in price and value, this is definitely the best investment.

1. Computers are an essential link in the communicative process for students with disabilities. A computer equipped with adaptive equipment can allow people with disabilities an opportunity to store and retrieve information that may not be otherwise available to them. As an organization, ADSUM has no method of typing or producing a document. We also have no reliable method of information storage, such as for resources and referrals, which can be accessible to everyone, such as a student with a visual impairment. With the use of a computer, we could over time develop a system which will make the information that our office offers available to everyone.

2. N/A

3. The funding for this project is necessary because of ADSUM's limited budget for purchasing equipment. We feel it is necessary for the project to be funded now because ADSUM has been in existence for two years and we have yet to make the information available in our office accessible to people with all types of disabilities. In the budget request for the 1991-92 school year, we have asked for funding to purchase adaptive computer equipment, such as a voice synthesizer, which will make the computer usable by persons with visual impairments. This project should be funded by ADSUM because it will benefit many of the 200 students on this campus with disabilities.

4. We are currently drafting a grant request through Pilot International, a local women's group.

REASON FOR REQUEST

The UM Soccer Club is a highly talented group of committed soccer players. This spring, unfortunately, finding quality competition in the Midwest has proven difficult. Our team is preparing for a trip to the Midwest, which will include games against other teams. However, Alternative Funding has provided us with limited funds, which have been allocated to travel and equipment rather than the cost of registration fees. Our team desperately needs funds to participate in this enriching experience.

Purchasing Policy

In order to prevent purchasing activity which is not in the best interests of the Associated Students of the University of Montana, or any of its subsidiaries, this document is being written. This document will outline, in broad terms, the purchasing policy to be employed by ASUM in all subsequent purchases after this document has been adopted in final form and included within the official ASUM Fiscal Policy. Changes and omissions from this policy will thereafter only be made after consultation with the members of the Budget and Finance Committee and the approval of two-thirds (2/3) of the Senate.

Part I: Purchases With A Total Price Of Under $35.00 Dollars Made By ASUM Executives.

Any purchase to be made by an ASUM Executive from the administrative operational budget may be made on the Executive's authority as an Officer of ASUM, subject to funds availability confirmation from the ASUM Accountant, provided the purchase is consistent with purchaser's budget and ASUM Fiscal Policy. Deviations from the budget (including Line Item Changes, Special Allocations, and S.T.I.P.) must be approved by Budget and Finance and the Senate. In addition, the purchaser is obligated to make a concerted effort to obtain the lowest possible price on the purchase. A summary of these types of purchases, which must include the name of the vendor, price of the goods or services purchased and the name of the purchasing officer, must be provided on a monthly basis to the Budget and Finance Committee and the ASUM Senate.

Part II: Purchases With A Total Price Of Under $150.00 Dollars.

Any purchase to be made by ASUM, its member organizations, or executive officers and agencies, may be made with the approval of the ASUM Business Manager (in the case of purchase made by the Business Manager, purchases shall be made with the consent of the ASUM Vice-President), subject to funds availability confirmation from the ASUM Accountant, provided the purchase is consistent with purchaser's budget and ASUM Fiscal Policy. Deviations from the budget (including Line Item Changes, Special Allocations, and S.T.I.P.) must be approved by Budget and Finance and the Senate. In addition, the purchaser is obligated to make a concerted effort to obtain the lowest possible price on the purchase.
Part III: Purchases With A Total Price of Under $1000.00 Dollars But Greater Than $150.00 Dollars.

Any purchase to be made by ASUM, its member organizations or executive officers and agencies may be made with the approval of the ASUM Business Manager [In the case of purchases made by the Business Manager, purchases shall be made with the consent of the ASUM Vice-President], subject to funds availability confirmation from the ASUM Accountant, provided that:

- The purchasing organization obtains a minimum of three (3) price quotes from separate vendors, which must be presented to the Business Manager and documented in permanent files by said officer at the time of release of funds;

- The price quotes must be for the same, that is to say identical in every respect, item [if the quotes are not for the same item, there must be a documented justification in permanent files for the non-provision of price quotes on the same item];

- The purchase must be consistent with purchaser's budget and ASUM Fiscal Policy. Deviations from the budget [Including Line Item Changes, Special Allocations, and S.T.I.P.] must be approved by Budget and Finance and the Senate;

- The purchase must be made from the vendor who offers the lowest price quote, if however, the purchase is to be awarded to a higher priced vendor, documented justification in permanent files must be provided explaining why the purchase is to be so awarded. If a vendor with a higher [that is to say, not the lowest] price quote is to be awarded the bid [that is to say the purchase], the consent of the ASUM Senate is required.

Part IV: Purchases With A Total Price of Under $5000.00 Dollars But Greater Than $1000.00 Dollars.

Any purchase to be made by ASUM, its member organizations or executive officers and agencies may be made with the approval of the ASUM Business Manager [In the case of purchases made by the Business Manager, purchases shall be made with the consent of the ASUM Vice-President], subject to funds availability confirmation from the ASUM Accountant, provided that:

- The purchasing organization obtains a minimum of three (3) SEALED BIDS from separate vendors, which must be opened on a pre-determined date by the ASUM Business manager in the presence of one (1) other ASUM executive and one (1) other person who shall be a member of the Budget and Finance committee, or the ASUM Senate, or both;
The bids shall be sent to the ASUM office manager who shall act as custodian of the bids, until the day and time of unsealing arrives, at which time the bids will be handed over to the Business Manager and the aforementioned parties, in the presence of the aforementioned parties, for unsealing;

- The Price quotes must be for the same, that is to say identical in every respect, item (if the quotes are not for the same item, there must be a documented justification in permanent files for the non-provision of price quotes on the same item);

- The purchase must be consistent with Purchaser's Budget and ASUM Fiscal Policy. Deviations from the budget [including Line Item Changes, Special Allocations, and S.T.I.P.] must be approved by Budget and Finance and the Senate;

- The purchase goes to the lowest price quote, if however, the purchase is to be awarded to a higher priced vendor, documented justification in permanent files must be provided explaining why the purchase is to be so awarded. If a vendor with a higher [that is to say, not the lowest] price quote is to be awarded the bid [that is to say the purchase] the consent of the ASUM Senate is required.

Resolution in Support of Restoration of the Prescott House

Whereas, the Prescott House and Family has been a pillar of our campus community for decades and recognition for their contribution to our campus would be appropriate;

Whereas, preservation of this "green space" would provide an oasis in the sea of concrete that surrounds the University Center and would act as a natural, human corridor to Mt. Sentinel;

Whereas, the preservation of the home in its current condition would stand as both a memorial to the Prescott Family and provide much needed campus space for use by campus organizations or local community groups;

Whereas, the preservation of our campus History, including its historic building and structures, is important for the benefit of future generations of students;

Therefore, BE IT RESOLVED...

... that the student body at the University of Montana endorse current plans, projects and efforts that work towards the restoration of this facility in its current location, to be used for the benefit of our campus and local communities. Furthermore, let it also be resolved that the students at UM adamantly oppose any efforts to demolish this structure, use the land for extra parking, straighten Campus Drive through this area, or any other such combination of these projects.

Let it be know that this position will be communicated to both President Dennison and the Prescott House Sub-Committee through our Executive Officers of ASUM as the official stance of the students at UM.

Note: Senators, I would like to take action on this at our next meeting. It will be very crucial to the time line involved in the decision. I have placed this in your box BEFORE 5:00 Friday, as in accordance with our bylaws. We will need to suspend the bylaws in order to have this placed on the agenda.)

SUBJECT: UC Space Allocation Adjustments

In lieu of the recent memo received from ASUM Child Care, the space allocation recommendations does not sufficiently meet the needs for Child Care. SUB has reevaluated our recommendations and make the following adjustments.

As in our original recommendation:

1. ADSUM will move from their inner office to the outer office space which is currently occupied by Circle K and Badger Chapter.

2. Badger Chapter will be relocated into UC 112, which was recently vacated by UC Graphics.

3. The rest of UC 112 will be divided into two office areas. One space will be shared by Mortar Board and Spurs. The other space will be issued to Womens Resource Center.

4. Allow the International Student Association to place an enclosed, wall display case in the UC. The cost of construction and placement will be incurred by the International Student Association.

The adjustments are as followed:

1. Allow Circle K to move into the internal office where ADSUM is currently located.

2. Allow ASUM Child Care to remain in their current location until an appropriate site is found.
A RESOLUTION CALLING FOR ASUM SENATE INVOLVEMENT IN ABER DAY ACTIVITIES

Whereas President Dennison has declared April 25, 1991 Aber Day, and;

Whereas Aber Day is an important and venerable University of Montana tradition dating back to 1915, and;

Whereas the campus clean up, included as part of Aber Day, encourages the socially responsible and environmentally sound practice of cleaning up our messes, while developing a sense of community by working together, and;

Whereas ASUM Senators, as elected representatives of the students, have a responsibility to encourage civic virtues by their example, and;

Whereas the M on Mount Sentinel is a symbol of the University of Montana, and the trail to it a frequent hiking spot for U of M students;

Therefore Be It Resolved ...

that the Associated Students of the University of Montana commits 10 ASUM Senators to working on the trail to the M and the area around the M on Aber Day April 25, 1991, between 10:00 am and 2:00 pm, and encourage all ASUM Senators to participate in the Campus Clean Up, the Global Games (at 2:00 pm), and the Aber Day Picnic Dinner on the Oval (at 4:00 pm).
