## FOR IMMEDIATE RELEASE

MISSOULA---A total of 449 students placed on the Montana State University honor roll for fall quarter, according to Registrar Leo Smith. This figure includes 52 students who earned straight A's.

A straight A student must have earned a grade index of 4.0. This index is figured by dividing the total number of grade points earned by the total number of credits carried. Four grade points are given for an A; three for a B; two for a C; one for a D; none for an F. No student is eligible for honor roll if he has an F on his current record. To be eligible for the honor roll, a student must have either a minimum of 54 grade points with an index of 3 or a minimum of 42 grade points with an index of 3.5.
