Topics

ABSOLUTISM AND DESPOTISM IN EARLY MODERN FRANCE

“A despot, be he the best of men, commits a crime by governing according to his own sweet will. He is a good shepherd who reduces his subjects to the level of animals.” (Diderot)

THE ANCIEN REGIME

“We can see how it was that a successful revolution could tear down the whole social structure almost in a twinkling of an eye.” (Alexis de Tocqueville)

Reading: Wright, pp. 3-13
Baker, 13-47

THE INTELLECTUAL ORIGINS OF THE REVOLUTION

“Our revolutionaries had the same fondness for broad generalizations cut and dried legislative
systems, and a pedantic symmetry; the same contempt for hard facts; the same taste for reshaping institutions on novel, ingenious, original lines; the same desire to reconstruct the entire constitution according to the rules of logic and a preconceived system instead of trying to rectify its faulty parts. The result was nothing short of disastrous.” (Alexis de Tocqueville)

THE ENLIGHTENMENT

The Revolution strayed from the primrose path of enlightened happiness to the strait and narrow road of Jacobin virtue, from the principle of representative and constitutional government to the rule of an authoritarian elite, from the 'philosophes' ideal of peace to the revolutionaries' crusading war and the Napoleonic war of conquest. Nothing could have been more alien to the Enlightenment than this transition from the ideals of democracy and peace to a policy of dictatorship and war... The influence of the Enlightenment cannot be disregarded in any history of the French Revolution; but the revolutionaries did not set their course by its light in the beginning, nor did they steer the ship of state into the haven of the Enlightenment in the end.”

Reading: Wright, pp. 24-32
Baker, pp. 428-445, 71-73

THE ECONOMIC ORIGINS OF THE FRENCH REVOLUTION

“The art of taxation consists in so plucking the goose to obtain the largest amount of feathers, with the least amount of hissing.” (Colbert)

“The recent revolution would not have reached this point had the people had bread. And the people would forgotten freedom and the hope of freedom if they had been able to forget their stomachs.” (Friedrich Schulz, Über Paris und die Pariser)

“How though the reign of Louis XVI was the most prosperous period of the monarchy, this prosperity hastened the outbreak of the Revolution.” (Alexis de Tocqueville)

Read: Wright, pp. 14-23
Baker, pp. 89-97

STRUGGLE BETWEEN KING AND PARLEMENT

“The story of the resurgence of the French nobility is first and foremost the story of how the high robe was to demonstrate its power to obstruct the monarchy and win general recognition as the indispensable defender of privileged interests.” (Franklin Ford)

“It is astonishing that nowadays it is thought fitting to treat as founded the absolute power of the prince, without hearkening to the testimony of thirteen centuries during which we see the kingdom established solely by the blood, the labor, and the expenditures of the old nobility.” (Boulainvillicers, Lettres sur les anciens parlements de France)

Read: Baker, pp. 47-70, 97-118

THE FAILURE OF REFORM

“The Revolution was, in the words of Albert Schweitzer, ‘a fall of snow on blossoming
“But the freedom which had conquered was the freedom of the medieval nobleman, clutching his special bundle of perogatives, crying “Liberty” and meaning ‘Mon droit.’ It was to this doomed conception that the crown was henceforth hopelessly committed.” (Franklin Ford)

Reading: Baker, pp. 118-154
Wright, pp. 33-40

THE OVERTURN, MAY TO AUGUST 1789

“Court society was given to intrigue and family politics, and the fluctuating balance of power that resulted was not conducive to the pursuit of vigorous and consistent policies.”
(Hampson)

“What then is the Third Estate? All; but an all that is fettered and oppressed. What would it be without the privileged order? It would be all; but free and flourishing. Nothing will go well without the Third Estate: everything would go considerably better without the two others.” (Sieyes)

THE FLIGHT TO VARENNES

“The nation can never give back its confidence to a man who, false to his trust, perjured to his oath, conspires a clandestine flight, obtains a fraudulent passport, conceals a king of France under the disguise of a valet, directs his course toward a frontier covered with traitors and deserters, and evidently meditates a return into our country, with a force capable of imposing his own despotic laws.” (Placard, 1 July 1791)
