FOR IMMEDIATE RELEASE

Montana State University's Delta Chapter of Kappa Epsilon swept the field at the national pharmaceutical fraternity's awards banquet, winning top individual and chapter honors, MSU officials report.

Vernice Ann Sullivan, Missoula pharmacy major at MSU, received the $100 Zada Cooper Scholarship, presented biennially to an outstanding member of the women's pharmaceutical fraternity on the basis of scholarship, merit and character. The scholarship is one of two top individual awards made at the KE 40th anniversary convention, which closed at the State University of Iowa this week. Miss Sullivan's parents are Mr. and Mrs. Gerald Sullivan of Missoula.

MSU's Delta Chapter took home the travelling trophy awarded to the chapter with the best overall scholastic average.
