Nelson Fritz discusses plans for 1962 Montana State University Homecoming

University of Montana--Missoula. Office of University Relations
FOR IMMEDIATE RELEASE

If present plans materialize, the 1962 MSU Homecoming parade will be the greatest spectacle of its kind in the history of the event, it was declared by Nelson Fritz, parade chairman of the Missoula Chapter of the MSU Alumni Association.

Fritz said that plans for the parade on October 6 will be firmed up before the end of the present school year, and that participating groups will have preliminary work finished by that time. "Montana My Montana" is to be the parade theme, presenting the participants with a wide range of possibilities for float decoration. Fritz said that the various professional schools and departments of the University are being urged to participate in the float competition on a more widespread scale than heretofore.

Following the custom of the past few years, living groups will be paired in presentation of single floats. The 1962 pairings will team up Sigma Phi Epsilon with Synadelphic, Elrod Hall and Delta Gamma, Phi Sigma Kappa and Corbin Hall, Sigma Nu and Kappa Kappa Gamma, Delta Sigma Phi and Brantly Hall, Sigma Alpha Epsilon and Sigma Kappa, Sigma Chi and North Corbin, Alpha Tau Omega and Kappa Alpha Theta, Craig Hall and Delta Delta Delta, Theta Chi and Alpha Phi, Phi Delta Theta and Turner Hall.
