FOR IMMEDIATE RELEASE

The Montana State University Army R.O.T.C. Company is the winner of a nation­wide competition for the best monthly meeting programs of the current school year, Lt. Gen. Milton G. Baker, president of the Association of the United States Army, announced.

Sixty-eight member companies in the United States and Puerto Rico competed for the AUSA honor, Gen. Baker said.

"MSU's feat is all the more remarkable considering that the resources available to it were not nearly so plentiful as those available to companies in large centers of population," the general said.

The outstanding company is comprised of all juniors and seniors in Army R.O.T.C. at the University, according to Lt. Col. M. F. Moucha, chairman of the Army R.O.T.C. Department.
