FOR IMMEDIATE RELEASE

A former faculty member, Dr. Louis A. Schmittroth, will be a lecturer in mathematics at Montana State University winter and spring quarters, according to Dr. William M. Myers, department chairman.

The lecturer is director of the Mathematics Section of the Atomic Energy Division of Phillips Petroleum Co., Idaho Falls, Idaho. He joined the company in 1958 after three years on the MSU mathematics faculty.

Dr. Schmittroth received a Ph. D. in 1954 from Stanford University, where he also earned B. S. and M. S. degrees. In 1954-55 he was a postdoctoral fellow at Harvard University.

###

Dr. Shepperson said that a stipend of $75.00 per week will be paid to public school teachers who attend, plus $15 per week for each dependent. In addition, all fees and tuition will be waived for both private and public school teachers registered. The institute will run from June 22 through August 14 and applications must be in no later than March 1, the director said.
