Able Hall’s Belgians

His mother blamed his ugly on the team. She’d jostled on the harrow all of April, right up till her time. So Able always said that he was dropped behind a horse and lay there in a pile sixty years.

Before their tawny manes were braided, before their tails were plied with red and silver twine, before they earned their keep by service, the lonely service of their great cocks, curved and dangling like the teeth of a hayrake, they stood a single force before the shares and coulters, twin butts wide as a doddy house. Their russet backs and haunches, Able said, were broad enough a view for any man. He sang them “het” and “chk” and curried their shoulders.

They weren’t bred for town, so when they came, the valley shook and knew. The man who’d lived behind them lay stretched in a wagon box, and they would only pull him once again, in draped parade, a pale and homely burden.
