FOR IMMEDIATE RELEASE

Dr. Milton M. Willner, director, Regional Medical Offices, Hoffmann-La Roche, Inc., Nutley, N. J., will speak at the dedication of the Montana State University Health Sciences building Saturday, according to Drs. Carl L. Larson and E. W. Pfeiffer, program chairmen. His talk at 4 p. m. on "Integration of Science and the Clinic" is open to the public.

The speaker was in private pediatric practice from 1947 until he joined Hoffmann-La Roche in 1963. He was clinical instructor of pediatrics at New York Medical College from 1947 to 1960. He has held appointments in pediatrics in several New Jersey hospitals.

Dr. Willner is a Diplomate of the American Board of Pediatrics, a Fellow of the American Academy of Pediatrics and a member of several professional societies, including the American College of Clinical Pharmacology and Chemotherapy, the American Federation of Clinical Research and the American Heart Association.

Dr. Willner earned an A.B. at Cornell University and an M.D. at New York Medical College, interned at Newark City Hospital, and completed residencies at Essex County Isolation Hospital, New Jersey, and Flower Fifth Ave. Hospital, New York City.

His service from 1942 to 1946 with the U. S. Army Air Force Medical Corps included two years of duty in the European Theater of Operations, where he won the Bronze Star.
