Homework will be collected at the beginning of each class: if you have multiple sheets please staple them together. Homework will be checked for completeness, not total accuracy.

Students are responsible for all material or announcements made in class; if you miss class please check the web site for notes, or call me for missed information. All exams will be given on the dates in the schedule; makeup or substitution will be at my discretion, please notify me as early as possible if you will miss an exam.

My web page will be updated each class day to include notes about changes in schedule, homework solutions (posted after homework is due, all will be posted in time to study for exams), pre-exam notes.
