CONTRIBUTOR'S NOTES

CutBank is pleased to announce the winners of the 2010 Montana Prize in Fiction, Montana Prize in Creative Nonfiction, and Patricia Goedicke Prize in Poetry.

The three awards were founded in 2008 in the spirit of the Richard Hugo Memorial Poetry Award and A.B. Guthrie, Jr. Short Fiction Award, which CutBank awarded for over a decade in the 80's and 90's. The goal of the Montana and Goedicke prizes is to recognize work that showcases authentic voice, boldness of form, and a rejection of functional fixedness.

Our congratulations to the winners and our thanks to everyone who entered. Very special thanks to guest judges Pete Rock, Major Jackson, and Kim Barnes for the time and thought they invested into each submission.
