Required Text: Financial Accounting-The Impact On Decision Makers. 3rd Edition, Porter & Norton

Course Objectives:

1. To develop an understanding of the fundamentals of Financial Accounting
2. To apply these fundamentals to real world examples
3. To develop an understanding the role of Accounting in the business environment.
4. To maintain a very interactive class to enhance the learning experience.

Course Policies:

1. Drop date: The last day to drop is **October 14**. No drops will be signed after this date. (Note: This date is too late for a refund)
2. All exams must be taken at the assigned times, unless evidence of compelling reasons for not taking the exam can be provided to me at a reasonable time **prior** to the exam.
3. Attendance will not be taken, however your attendance and participation are essential to the understanding of the course material and participation will be a factor in your ultimate final grade.
4. Calculators may be used in class and during exams.

Basis of Grade:

Midterm Exam #1	100 points
Midterm Exam #2	100 points
Midterm Exam #3	100 points
Final Exam	150 points
Homework	50 points
Quizzes	50 points
Total	550 points

Assigned homework exercises and problems will be collected each class period, no homework will be accepted late. Homework will be checked for completeness, not total accuracy. Some, but not all of the homework exercises and problems will be discussed in class. You are encouraged to make corrections prior to turning your homework in at the end of the class period. Each days homework will have equal value. **Finally, homework points are based on the homework turned in and credit received only for homework turned in a timely manner. Each homework assignment is worth 2 points.**
