HOMEWORK:

Reading assignments and problems will be assigned each day. Homework is due the class period for which it is assigned. We will go over homework in class, but you should complete it before class, so that you can get maximum benefit. The nature of accounting is such that each new concept builds upon the previous one. The best way to approach this class is to read the assigned pages, listen to the lecture, and then reread it to do your homework. Make sure to go over the summary of study objectives found at the end of each chapter.

ATTENDANCE:

You are expected to come to class. Starting with the 4th class day I will take daily attendance and assign a maximum of 100 points as an evaluation of attendance. If you miss no more than 4 class days, you will receive 100 points for attendance. You will lose 2 points for each day you miss in excess of the four absences. An absence is an absence – there is no accommodation for excused absences in excess of the four allowed.

MAKEUP TESTS:

You are expected to come to class. Tests may not be made up unless prior arrangements are made. You must take the makeup test the day you return to school. **Let me stress that there are no exceptions to this – if there's a problem, call and leave a message or you have lost the chance to take that particular exam.**

EVALUATION:

Tests will be given point values. The total points earned will be divided by the total points available to determine the grade. The points available are as follows:

Test 1	Chapters 6, 9	100
Test 2	Chapters 10, 11, 12	100
Test 3	Chapters 13, 14	100

Test 5	Chapter 17 – take home	100
Test 6	Chapters 17, 18	100

Use of Personal Electronic Devices:

As a general rule, cell phones are inappropriate during class times. However, to some students, unique circumstances require their use. (I.e. emergencies, health, absolute business necessity). If you absolutely require their use, you must adhere to the following criteria:

1. If they are not required, please turn them off, or on vibrate mode.
2. If receiving a call, leave the room quietly. Do not conduct your conversation in class.
(You are responsible for notes missed)
3. **There will be no use of cell phones or other tablets during exams or final exam.** Due to testing standards, you may not leave the room during a quiz or exam and cell phones must be turned off.
4. You may bring an I-pod to class only during the days we are working on projects that do not include lectures.
5. Please be courteous of your classmates. Should this policy create routine distractions, I will ask you to leave the class. A positive learning environment will be maintained.
