4,064 STUDENTS PREREGISTER AT UM

MISSOULA---

At the close of advance registration, 4,064 students had preregistered for winter quarter at the University of Montana.

Registrar Leo Smith said the number was "about normal." He estimated total registration next quarter will be about 6,100 students.

Preregistration opened at the Missoula school November 17 to reduce the number of students registering January 2 for winter quarter.
