Attendance:
Attendance at all classes is mandatory. After two absences your grade will drop by one letter grade per absence, up to five absences when a failing grade is issued automatically. (Being sick does not count as an excused absence). Come to class ready to work, students are not to leave class to purchase supplies. Lectures missed will not be repeated for the absent student. If you are absent from class it is YOUR responsibility to get any missed information from another student, and you will be required to meet any deadlines set. Showing up late or leaving early from class will also affect your grade in a negative manner.

Cell Phones:
Cell phones are not to be turned on or used during class. If your cell phone goes off during class, you will be counted absent for that day.

Grading Policy:
The course grade awarded at the end of the term will reflect the students overall attendance and performance both in and out of class. It is your responsibility to consult with the Instructor throughout the term to insure that your progress is satisfactory. Grades will be based on your attendance, class participation, professionalism and completion of all course requirements, writing skills, and the final project. Attendance will be factored in and can affect the grade only by lowering it.

Assignment Deadlines:
All assigned work must be ready at the appropriate deadline for each assignment. NO LATE WORK WILL BE ACCEPTED FOR THIS COURSE. An absence on a assignment day will count as a zero with no chance to redo the assignment. Work handed in incomplete cannot be redone for a better grade. Completed work handed in on time can be redone as many times as you want to try to improve your grade, with only the highest grade being recorded. This means you cannot hand in the previous assignment for extra credit. *NOTE: All papers handed in must be typed. I will NOT accept any hand written papers or assignments. All assignment must be emailed to me unless I ask for them as a physical copy. On occasion I will ask you to bring a hard copy to class – please plan ahead for this.

Access/Special Needs:
If there are any students with disabilities that may have special needs please see the professor after class.

Academic Misconduct:
All students must practice academic honesty. Academic misconduct is subject to an academic penalty by the course instructor and/or a disciplinary sanction by the University.
