Class Structure

Casual **in class assignments** in spontaneous composition and performance will take place on a semi-regular basis. These may be individual or in small groups. Class time will be dedicated to group choreography assignments. Please be respectful of your peers and recognize the importance of your consistent contribution.

Class begins promptly at 10:10am. Students arriving more than 10 minutes late will not be permitted to take class (for safety purposes and etiquette practices), and will instead observe and take notes. Class will end at 11:30am. Students are required to remain in class until its conclusion with the closing circle. Consistent tardiness or early departure from class will result in the lowering of one’s grade.

To **avoid injury**, please come to class prepared to move at the start of class. (If you know you need extra time/space to stay safe, arrive early.) Please notify the instructor of any injury (current or past) that may affect your full performance in class.

Should a student observe class, it is expected that the student engage by watching the class and dutifully apply what is being taught and discussed to her/his own improvement in class. This **observation should result in a set of notes** that will be submitted to the instructor at the conclusion of the class observed. While observing class, students are required to be mindful and quiet as to not detract from the teaching and performance efficacy of the teacher, classmates (and accompanist when applicable). More than one observation will equal an absence, unless there is prior discussion with the instructor. *see “Expectations” for more on participation/attendance. If a student sits out for a week of class (3 classes), an entire letter grade will be deducted from the student’s grade.

Your **dance attire** should not restrict or hide your movement. Take into account that there is potential for any part of the body to be in contact with the floor, at any given time; and for safety, keep the body warm from the beginning until the end of class = bring extra clothing. Movement will be experienced with bare feet. It is **highly recommended** that dancers own and bring kneepads to class. These can be ordered on line at: www.contactquarterly.com. Please, no street shoes in the dance studios.

Physical contact and touch will be used as teaching methods to correct alignment and suggest new patterns of movement. The teacher and fellow students will facilitate this. If you have any concerns with this style of teaching/learning please let the instructor know, as she will find alternative methods.

**Expectations: Attendance and Grading Policy**

**Attendance** is important in any field, but vital in the field of dance. Learning to dance requires that your body do it. You will not gain in flexibility, and strength, or in your ability to pick up movement or generate your own movement by hearing about what happened from a classmate, or reading a book. In other words, there is no way to make up the material you miss. **STUDENTS ARE EXPECTED TO BE IN EVERY CLASS.** However, knowing that unpredictable circumstances may arise, students are granted one permissible absence. Students may also **make up** two absences by participating in (if appropriate) or watching, **and** writing a one-page observation of another dance class. **AFTER A STUDENT HAS USED HER/HIS SINGLE ABSENCE AND TWO MAKEUPS, THE STUDENT WILL BE DOCKED ONE-THIRD OF A GRADE FOR EVERY ABSENCE FOLLOWING.** (see attached: UM Dance Program - Injury Policy)

**Grading:** Dance is different from many other fields in that a student’s work is not as quantifiable as it is in some other subjects, such as history or math. For this reason grading is not assigned a point breakdown. To earn an “A” a student must:

- Consistently reach above and beyond average participation
- Demonstrate proficiency in the areas listed within the “Course Content” of this syllabus.
- Have an energetic, attentive and inquisitive attitude
- Progress over the semester
- And of course, fulfill all attendance, critique, journal and self-assessment requirements.

Students may receive an “incomplete” (I) only if there are exceptional circumstances, which have been discussed with the instructor.
Performance Attendance & Written Assignments

Students are required to attend eight performance/gallery events during the spring term. (plus strongly encouraged to attend dance events at large; in Missoula, at the Myrna Loy Center in Helena and at the Hamilton Center for the Performing Arts.)

AND choose any one live music event (required):

AND choose any one gallery exhibition (required):

Each student will submit 5 critical art responses over the course of the semester (in any order):

- comparing live theatre and one recently seen dance piece
- comparing live music and one recently seen dance piece
- comparing a gallery exhibition and one recently seen dance piece
- a full critique of one dance piece, while referencing relevant focus from technique class
- one alternative response to a dance piece

The instructor will provide detailed guidelines for written critique(s), and other response projects. Students will need to give specific examples in their writing, so it is recommended that she/he take notes either during or immediately following each event. The student’s grade will be lowered by one letter grade for each assignment that is not submitted.
Journal/Self-Assessment Writings

Throughout the course of the semester, you will be asked to reflect upon and assess your growth in this class. These writings may take place in class, but most likely outside of the studio. In lieu of weekly journal your teacher will provide you with prompts, on paper and via Moodle. Included in your direct response to a question, feel free to include details regarding your development as a dancer, performer, artist, global citizen… Include aspects of what is going well, where you are struggling, what your questions are…

Odds and Ends

- Additional assignments may be scheduled throughout the semester at the discretion of the instructor.
- **We may meet during finals week on Thursday, May 12th 10:10-12:10** **date/time may be negotiable**
- If at any point you feel further discussion would aid your development, please schedule a meeting with the instructor.
- If you are sick or injured please talk to the instructor as soon possible before class. This includes any pre-existing conditions/injuries that should be shared.
- If you get injured during class get the instructor’s attention immediately!
- Restrooms / locker rooms are located across the hall.
- **Locker rentals** are available for all students in the dance classes. We recommend that you do not leave personal belongings unattended in the dressing rooms, hallways, or dance studios, as thefts unfortunately occur. Backpacks and personal belongings are discouraged in dance studios, with the exception of water bottles. Lockers are your best solution and may be rented for $7/semester. For details, see the Dance Program administrative assistant, PARTV 199 (door across from women’s dressing room, then up the stairs.)

Academic Misconduct and the Student Conduct Code

All students must practice academic honesty. Academic misconduct is subject to an academic penalty by the course instructor and/or disciplinary sanction by the University. All students need to be familiar with the Student Conduct Code. The Code is available for review online at [http://www.umt.edu/vpsa/policies/student_conduct.php](http://www.umt.edu/vpsa/policies/student_conduct.php).

All Theatre & Dance students must have an in-depth knowledge of the practices and procedures outlined in the School of Theatre & Dance Student Handbook. The Handbook is available online at [http://www.umt.edu/umarts/theatredance/About/handbook.php](http://www.umt.edu/umarts/theatredance/About/handbook.php).

There is inherent risk involved in many Theatre & Dance classes as they are very physical in nature. Please proceed through class, shop time, or rehearsal with caution. Always be mindful of your personal safety and the safety of others. Students participating in class/shop/rehearsal/performance do so at their own risk.

Due to safety considerations, at no point during a student’s time spent in class or serving on a production (in any capacity) should non-enrolled persons be guests of that student without my consent. Presence of such unauthorized persons in a class, shop, or any backstage/off-stage area will negatively affect a student’s grade.

The University of Montana assures equal access to instruction through collaboration between students with disabilities, instructors, and Disability Services for Students (DSS). If you think you may have a disability adversely affecting your academic performance, and you have not already registered with DSS, please contact DSS in Lommasson 154. I will work with you and DSS to provide an appropriate accommodation.
